Air Training Corps Landrover

126 (City of Derby) Air Training Corps Squadron purchased a 9-seat Landrover with the help of £1,000 from Area Panel 4. Using their new Landrover, Cadets have now been to:

- a shooting competition.
- the Peak District for their Gold Duke of Edinburgh Award expedition.
- sporting competitions at RAF Cranwell.
- Matlock for a fundraising evening.

Most exciting of all has been a 5 day trip to Normandy, France with 36 cadets from all over Derby. The Landrover was used as a support vehicle to carry equipment to and from the camp and as a safety vehicle following the cadets around the various historical sites along the Normandy coastline.

The cadets and staff are very grateful for the grant made by Area Panel 4. None of the above activities would have been possible without the Landrover.

The Landrover will continue to be used over the winter months and is already scheduled to take a group of Cadets to a shooting competition at Bisley. It will also be used on a field craft training exercise at Swynnerton Army Training Area, providing a communication and transport link for the 100 Cadets on the camp.
