

Townscape Heritage Initiative (THI)

What will being in the THI mean for you?

- Historic building owners/occupiers can apply for generous grants to repair their properties.
- Historic building details, like shop fronts and windows, can then be replaced.
- Some public areas like pavements will be improved.
- Advice to businesses will be available, with help of the Business Improvement Area.
- Traditional skills will be taught to students, building owners and contractors.
- Local exhibitions, guided tours, lectures will be organised to help people appreciate the area and its history.
- Visits and conservation 'theatre' events will be organised for children and young people.

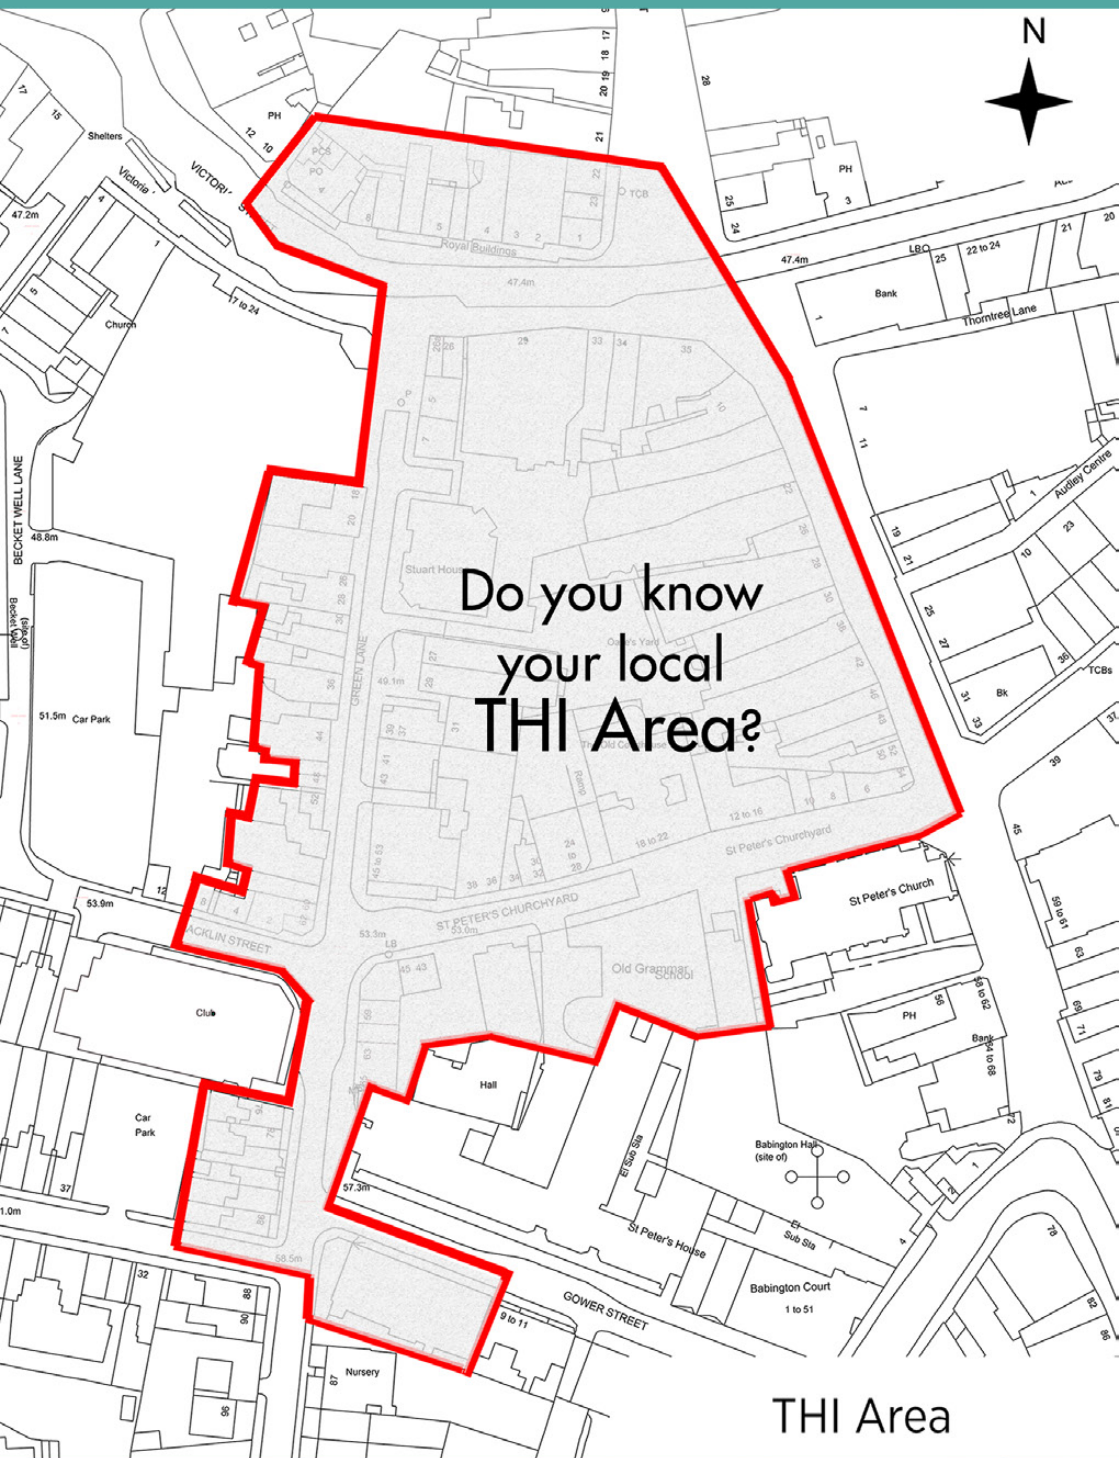

And overall we hope the delight and vibrancy of the area will be restored.
