#### SUPPORTING INFORMATION

- 2.1 At its meeting on 26 July 2006, Committee noted a draft Gambling Act Statement of Principles. This draft statement has been the subject of a wide consultation exercise over the summer. Approximately 290 consultation packs and 700 mailshots were sent out during the consultation period.
- 2.2 Members also resolved to establish a cross party working group to consider comments received from the consultation exercise. The cross party working group met on 4 October 2006 to consider the comments that had been received and the officer's recommendations about those comments. This information is contained at Appendix 2.
- 2.3 A number of the comments made have been incorporated into the statement. Some of the other comments made fell outside the scope of the statement or went substantially beyond what the Council is permitted to do under the legislation and statutory guidance.
- 2.4 The recommendations of the cross party working group have been incorporated into the final draft version of the Council's Gambling Act Statement of Principles. This is attached at Appendix 3.
