17/06 Licensing – Multi Agency Winter Campaign

The Committee considered a report from the Director of Environmental Services regarding a licensing multi agency winter campaign. It was reported that during some weekends in December 2006, officers from the Council's Licensing Team worked with Derbyshire Police, East Midlands Ambulance Service – EMAS, Derby City's Trading Standards Team and Derbyshire Fire and Rescue Service as part of a multi agency winter campaign to focus on alcohol misuse and crime and disorder issues in the city area during the pre-Christmas period. Licensing officers carried out 19 licensing visits during the campaign. Five premises were found to be either contravening the legislation or breaching their license conditions. These were considered to be minor infringements. The reaction to the campaign was quite positive and it was planned to repeat the campaign in the future.

Resolved to note the report
