

**Licensing Key**

Areas for Licensed activities

Notes shown on the plan which are not part of the statutory requirements are shown for indicative purposes only. The word 'indicated' does not refer to the location of any equipment or any other equipment not specified in the Regulations. There are signs under the plan for indicative purposes only as shown at the discretion of the licensor.

The current location of any existing equipment and other safety equipment is not shown as this may be subject to variation in the future as necessary and where applicable in liaison with the relevant authorities. The current location of any existing equipment is shown for indicative purposes only and is not shown as this may be subject to variation in the future as necessary and where applicable in liaison with the relevant authorities.
