

ADULT SERVICES AND HEALTH COMMISSION 21 January 2008

Report of the Director of Corporate and Adult Social Services

Annual Health Check- Feedback by the Healthcare Commission

RECOMMENDATION

- 1.1 To receive feedback from the Healthcare Commission on the Adult Services and Health Commission's comments on local health bodies.

SUPPORTING INFORMATION

- 2.1 Healthcare Commission seeks views from third party's including local overview and scrutiny committees on the performance of local healthcare bodies. Last year this Commission submitted its comments on the performance against national standards to the healthcare on local NHS healthcare bodies including the East Midlands Ambulance Trust; Derby City PCT; Derbyshire Mental Health Trust and the Derby Hospitals Foundation Trust.
- 2.2 The Healthcare Commission provides feedback to third party's on their responses. In the past the Healthcare Commission gave its feedback at a large event. However this year Debbie Widdowson, Assessor - West Midlands North (incl Derbyshire) has offered to attend a meeting of the Commission and feedback in person. It was felt that we should take up this opportunity as it will enable members to aid them with preparing this year's submission.
