

CHILDREN AND YOUNG PEOPLE CABINET MEMBER MEETING 21 NOVEMBER 2006

MINUTE EXTRACT

16/06 Looked After Children Topic Review
 Recommendations

Councillor MacDonald introduced a report from the Children and Young People's Commission which set out a number of recommendations to the Council Cabinet which had arisen from a topic review into Children Looked After.

Councillor Bolton welcomed the topic review. She felt it was an important document. She said she was looking at all the recommendations with officers and that consideration was being given to how the recommendations could be met in line with budget proposals for the next financial year.

Resolved to note the report and to thank the Commission for their work.

17/06 Looked After Children Topic Review Timescale for
 Departmental Response

Councillor Bolton reported that recommendations which did not have financial implications were being implemented straight away. Recommendations with financial implications were being considered as part of the budget process.

Resolved to bring a departmental response to the Children and Young People's January meeting.
