Fundraising for the project was boosted by the excellent Bondholder Breakfast organised and hosted by Kavita Oberoi at the end of the month. The event, and a new partnership with Derby College, will increase the capacity of the project to help even more Derby youngsters to begin their day with a free breakfast.

Actions planned to increase this have been reported in detail under performance target CPM02A but include:</p> <p>1) Increase the social media available to Children &amp; Families Information Team - this is a key route used by councils with high take up levels.</p> <p>2) FEEE promotional leaflet to go in the front of the health 'Red Book' given to all new parents from November 2017. CFIT to meet with all Health Visitors to stress their role in promoting this.</p> <p>3) Activities planned to improve our engagement with employers so they promote the FEEE, 30 hour offer and tax free childcare</p>
