Audit and Governance Committee – Updated Committee Work Programme 2023-24

Purpose

- 1.1 This report provides details of the updated work programme for this Committee for the 2023/24 Municipal Year.

Recommendations

- 2.1 To agree the updated work programme for the Committee attached in Appendix 1.

Reasons

- 3.1 It provides a proposed ‘core business’ work programme for the Committee.

Supporting information

- 4.1 All updates to the work programme are required to be reported to Committee. The 2023/24 annual work programme has been updated in advance of this Committee meeting. The updated version is attached in Appendix 1.
- 4.2 For all those Committee meetings that have been held in 2023/24, the updated work programme shows which planned reports/items have been presented to Committee (indicated by a ✓) and which planned reports/items have not been presented (indicated by an x) and/or have been deferred to another meeting.
- 4.3 Given the delays in the external audit of the 2020/21 and 2021/22 accounts there are a number of reports from the External Auditor that still need to be brought to this Committee. These reports are all shown in the “Other Activities not scheduled as yet” section of Appendix 1. To address this, Committee requested that a standing item be added to each Meeting Agenda so that an update from External Audit can be presented to them.
