

CLIMATE CHANGE COMMISSION 11 November 2008

Report of the Director of Corporate and Adult Services

Performance Monitoring

RECOMMENDATION

1. To consider and comment on the performance indicators within the remit of this Commission.

SUPPORTING INFORMATION

- 2.1 Monitoring performance is an important role for Overview and Scrutiny Commissions as it enables non-executive members to assess Council's performance and hold the Council Cabinet to account for setting and delivering against targets.
- 2.2 In Derby we use 'Performance Eye' an electronic system for monitoring performance with green, red and amber 'traffic lights' showing whether performance is on or off target. Most of our indicators monitor performance on quarterly but there are also a significant number of annual indicators such those monitoring GCSE exam results. All members can access performance eye through the intranet.
- 2.3 Information on the indicators is taken directly from Performance Eye.
