# Daily YTD Crime and Positive Outcome Figures

This report provides the latest year to date (YTD) crime and positive outcome figures down to section level. Some comparison figures from the previous year are included

This report automatically updates every day and is available immediately on our intranet pages. In the case of a technical failure, reports may still run and be accessible on the intranet before office hours/ checking. Therefore, as a basic precaution, you are advised to check that the two dates, shown below, are identical.			
Data is up to midnight:	Tue 13 Aug 13	(this should match)	Sun 30 Jun 13
	DATA CHECK: If the two above dates do not match, please contact the Performance Team before using this report		

Data:	Recorded crime figures are based upon the offence recorded date between the st of April and the 'data up to' date. Positive Outcomes are based upon the 'date detected' date between the 1st April and the 'data up to' date. 'No crimes' are excluded.
Crime Groups:	Only certain offence types are shown in the Main Table on this daily report and these are consistent with the new Home Office Crime Groupings for April 2012. As of April 2012, crime is now classified by the Home Office as Victim-based crime, Non-victim-based crime or Fraud and forgery. Together these form the total for 'All Crime' (see diagram below for an overview of the new groupings - for further information please contact the Performance Team). Additional Information and Force Crime Tag Data is given in supplementary tables on each page.
Positive Outcomes:	Positive Outcomes are made up of Sanction Detections and Restorative Disposals.
This report is produced and published by the Performance Team - 700 2025/ 2028/ 2739	

Diagram of Home Office Crime Groupings for 2012

N.B. A green highlight indicates the same/ reduced crime or increased detection. A red highlight indicated increasd crime/ decreased detection

Derby City
