

Please tell us the capacity in which you are attending today's session

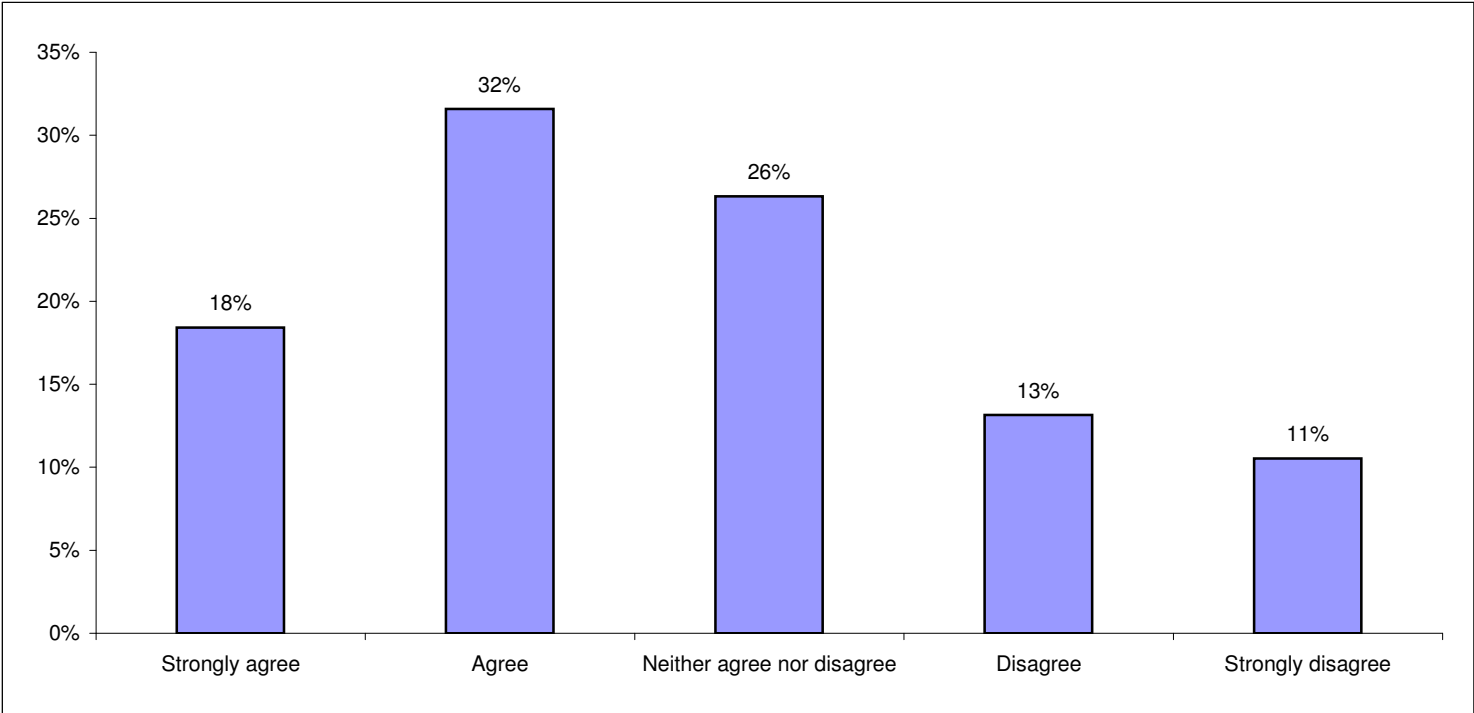

Housing Association and Local Authority tenants who have been housed in the last 12 months (includes tenants who have exchanged in the last 12 months)

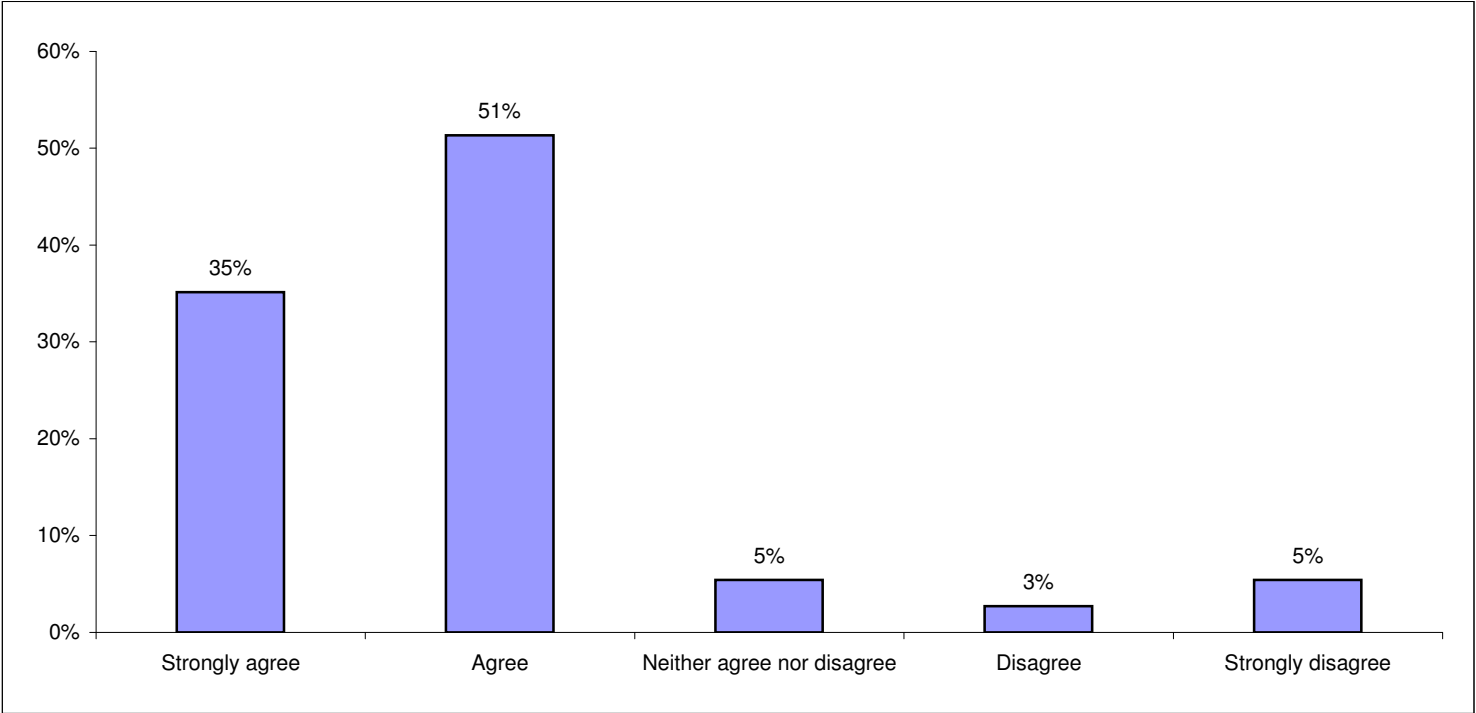

Applicants with savings of £16,000.00 or more

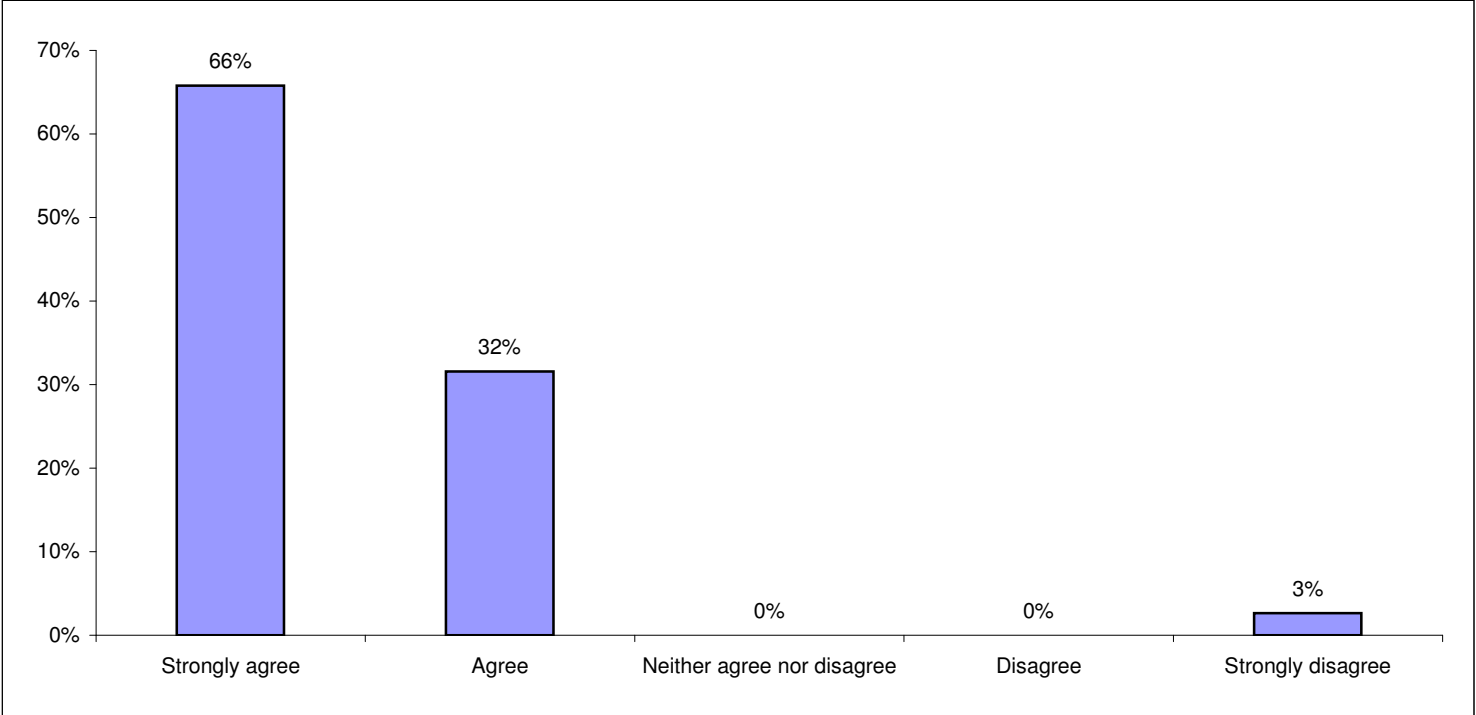

Applicants with a net income of 4 times the Local housing allowance per week (excluding Disability Living Allowance or Personal Independence Payment).

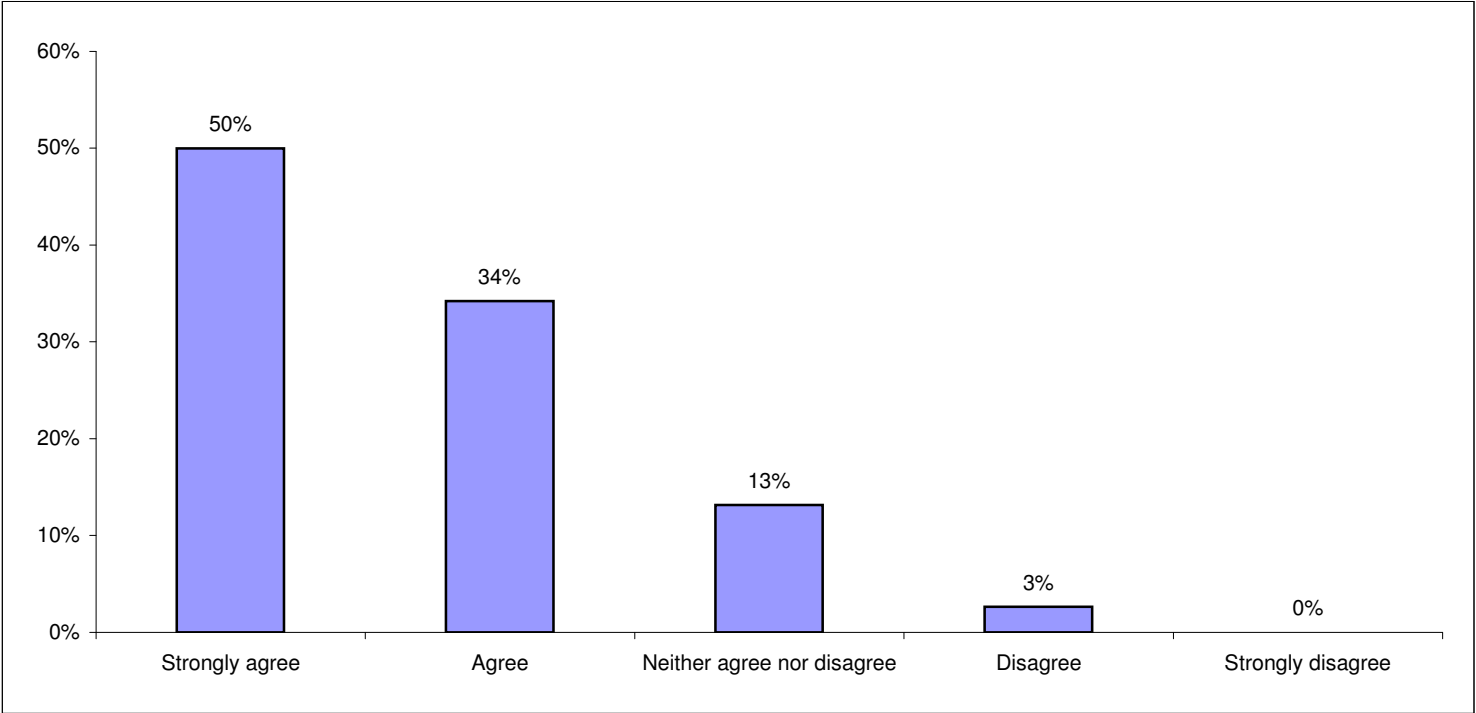

Applicants who do not have a Local Connection with Derby

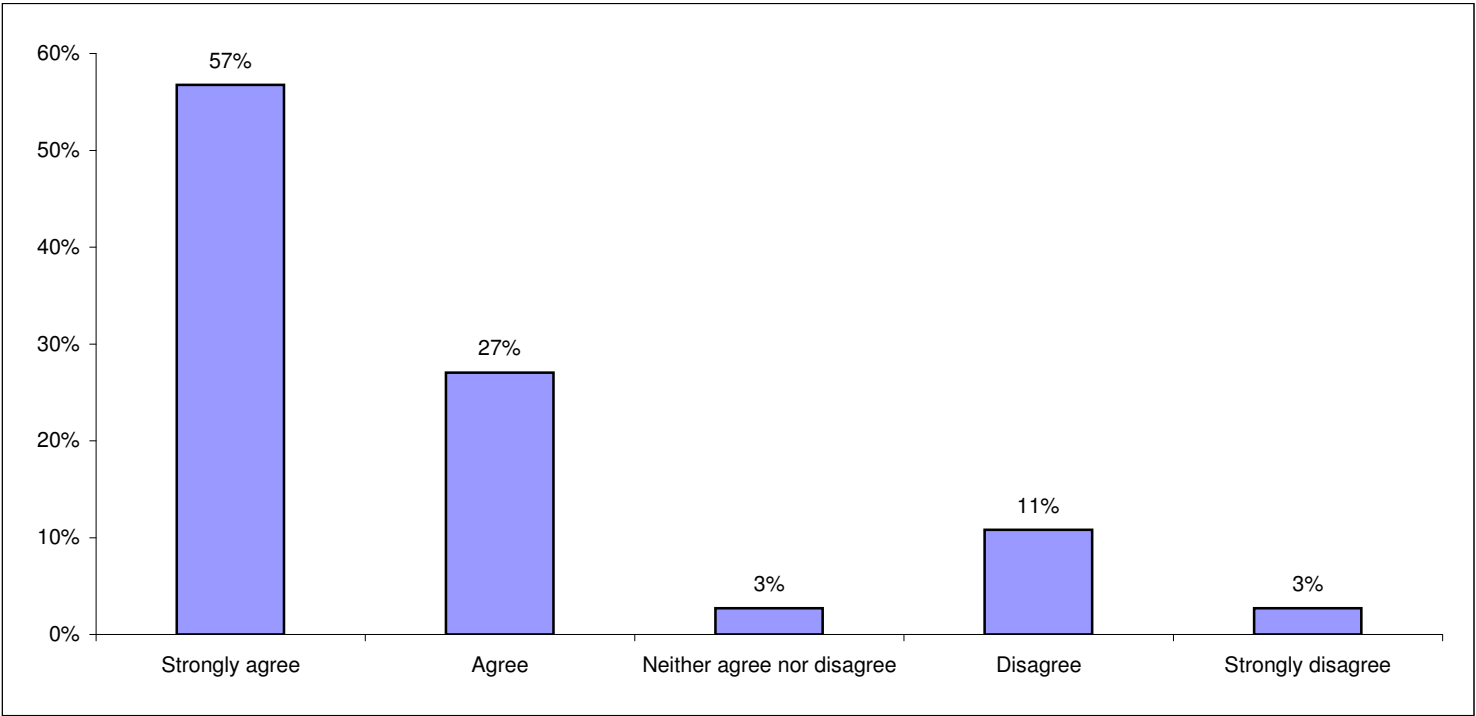

Applicants who own and live or are able to live in a property they own, unless there are exceptional circumstances

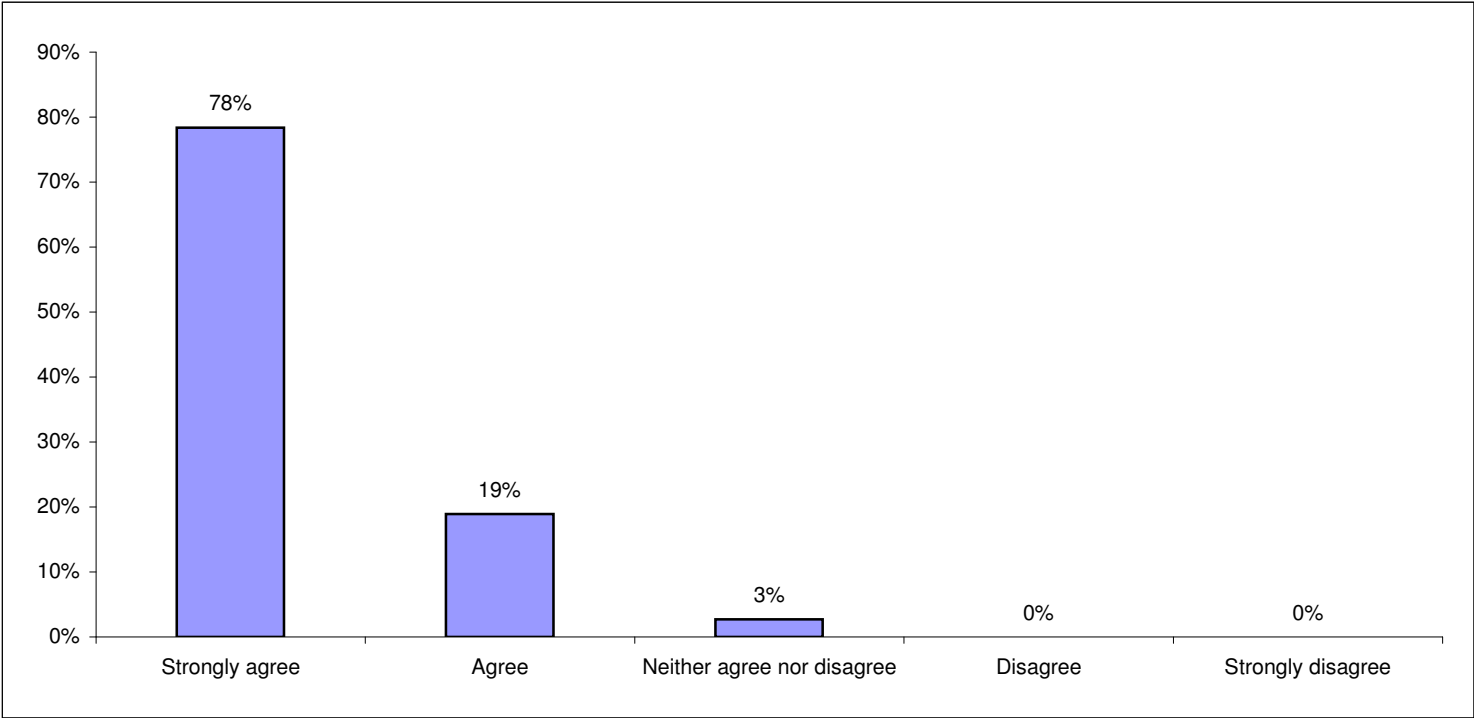

Applicants who have previously been registered on Derby Homefinder whose applications were closed in the last six months because they unreasonably refused three offers of housing

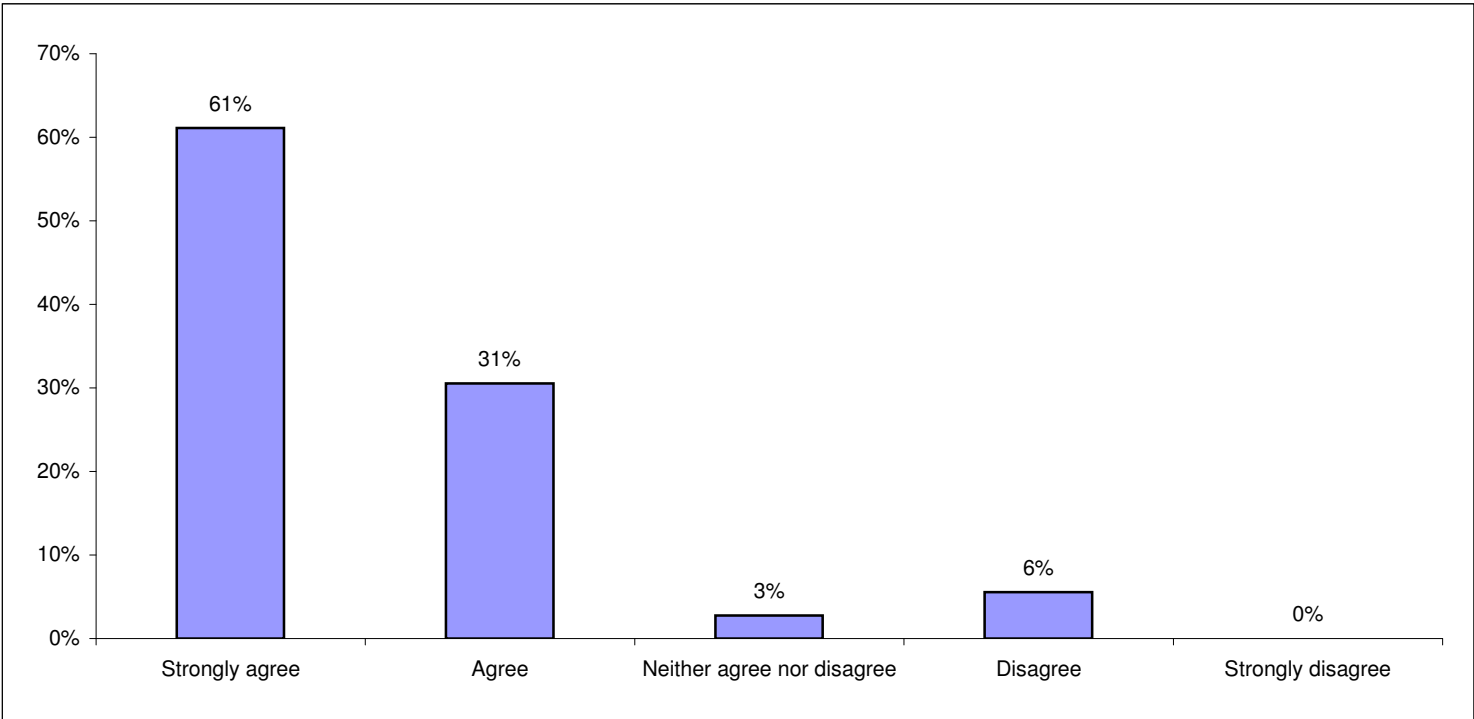

Applicants who have made their own housing circumstances worse in the last twelve months

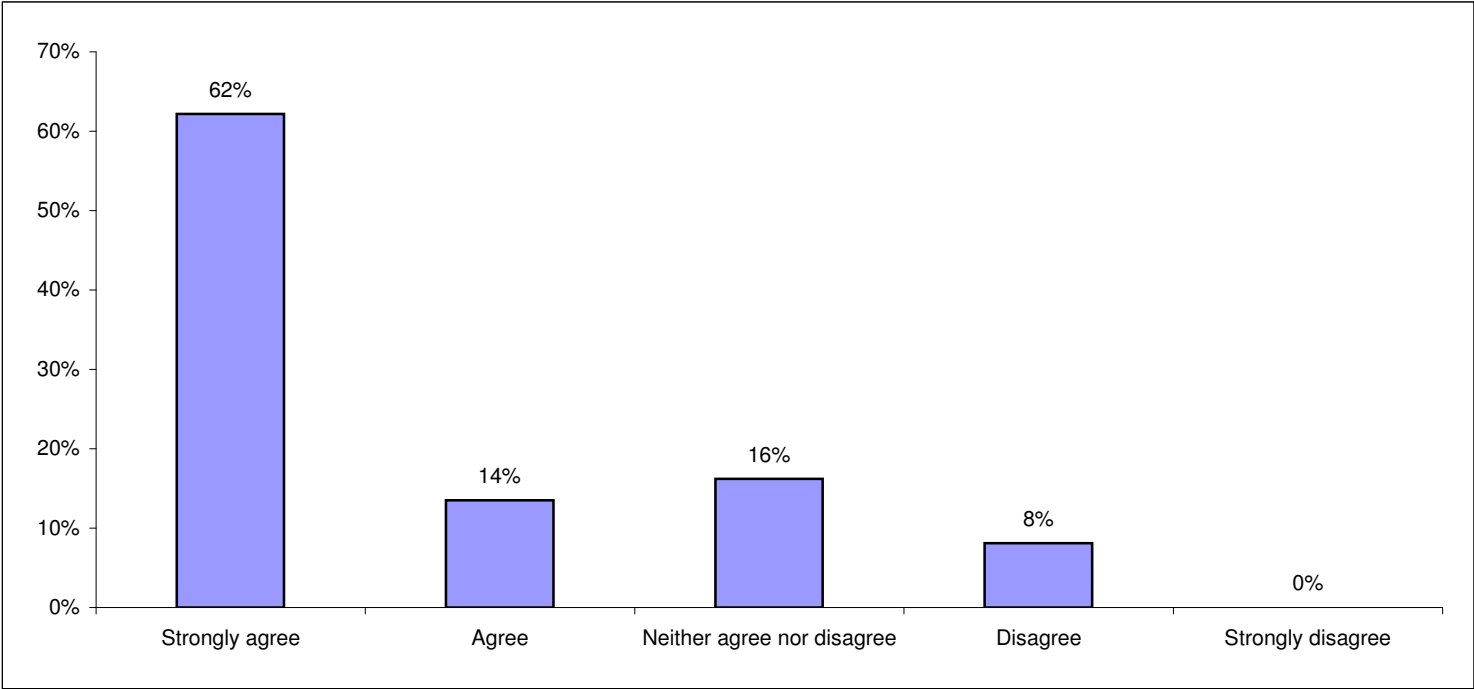

Students studying in Derby but whose main residence (home) is outside Derby

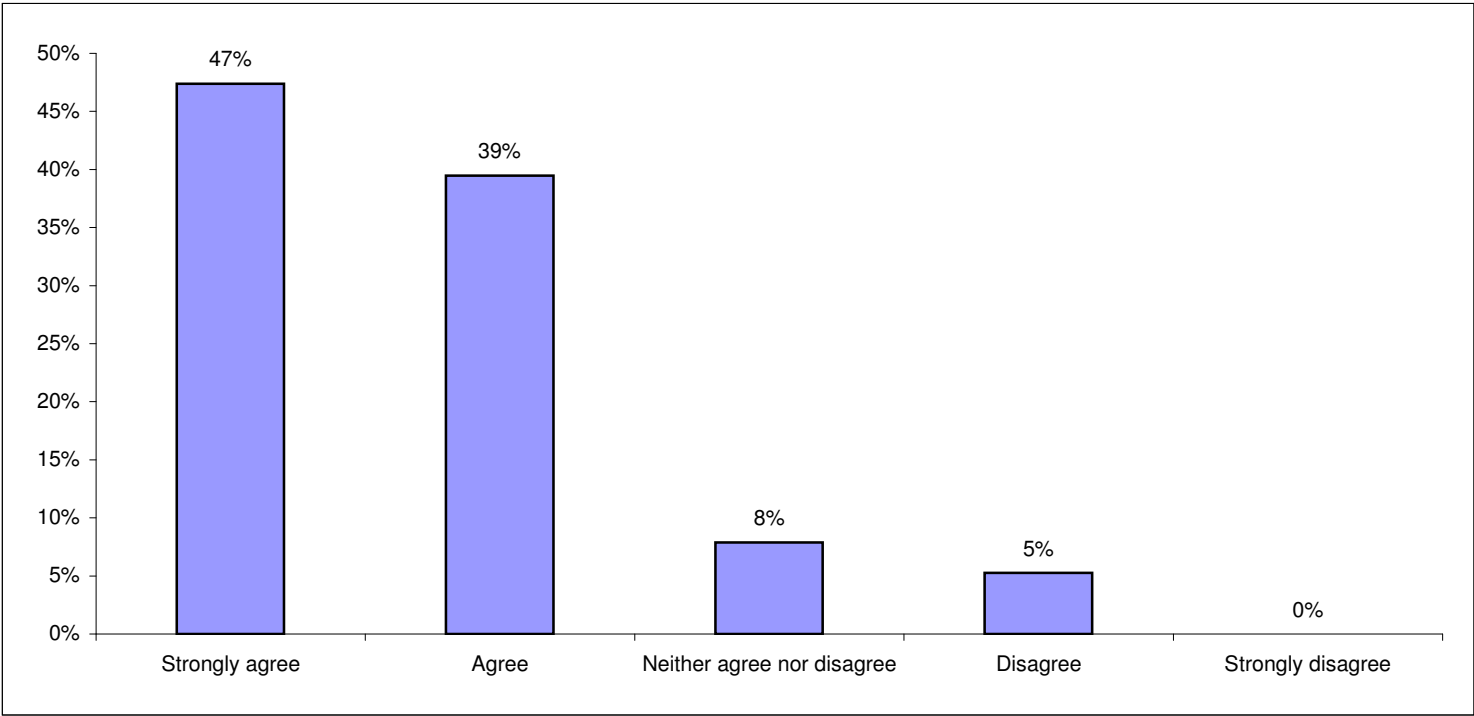

Applicants who live in supported housing and a professional care worker has advised they are not ready to move

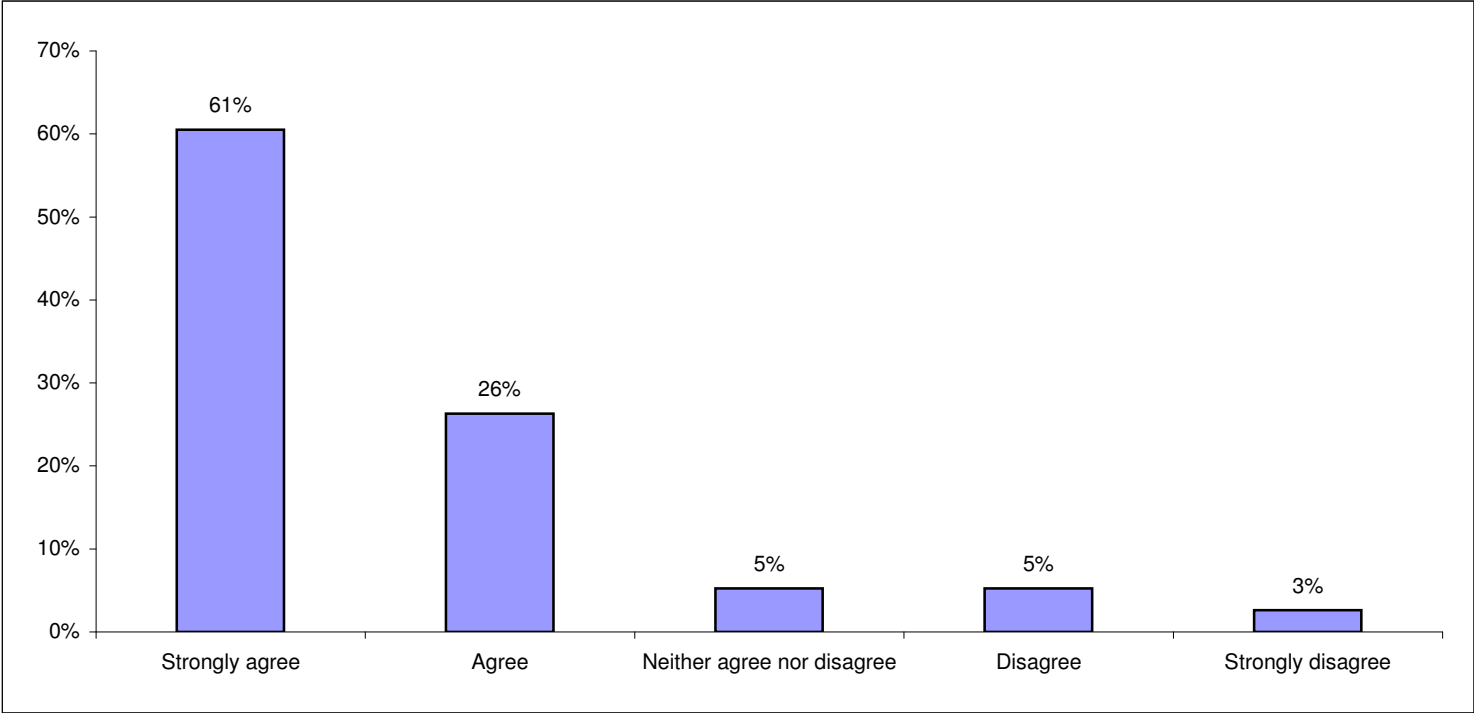

Applicants with a specific offending history who cannot show that their behaviour has changed

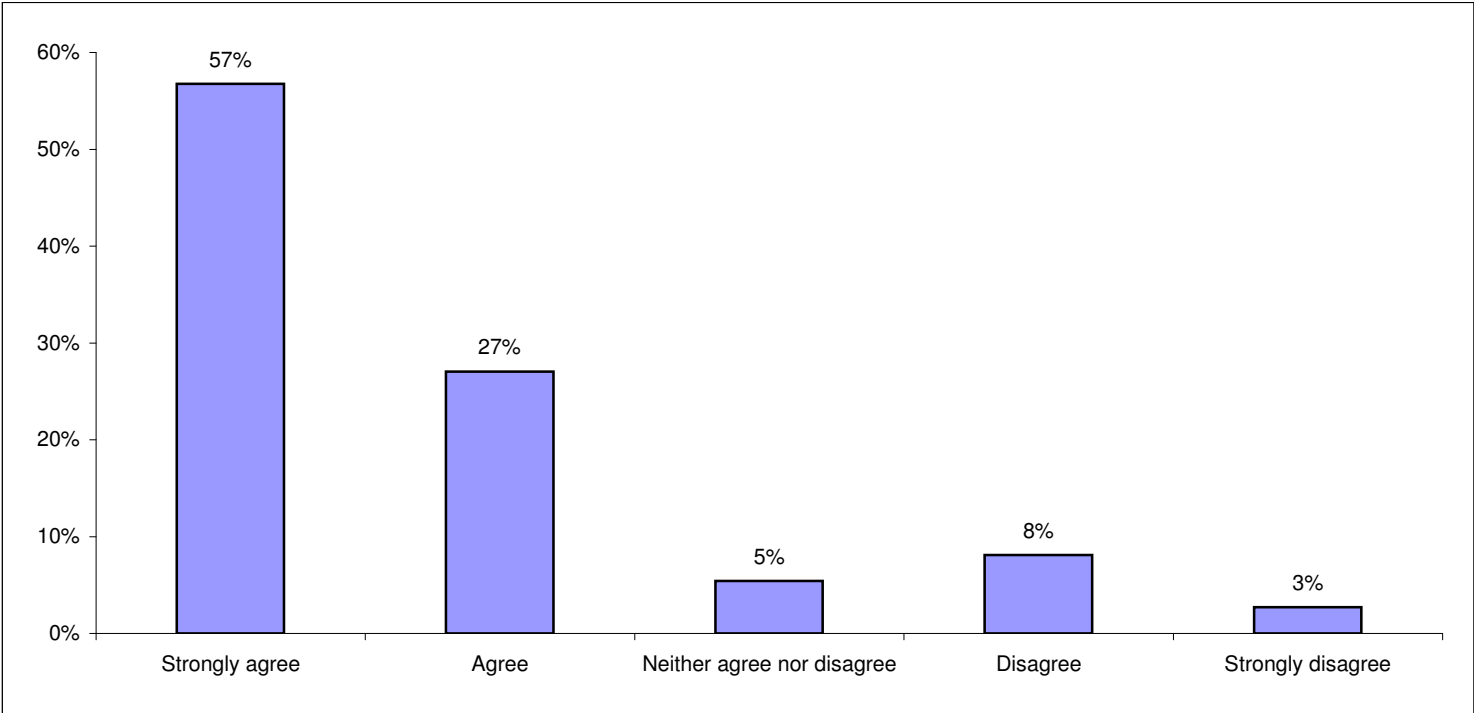

Applicants who do not have a housing need under this policy

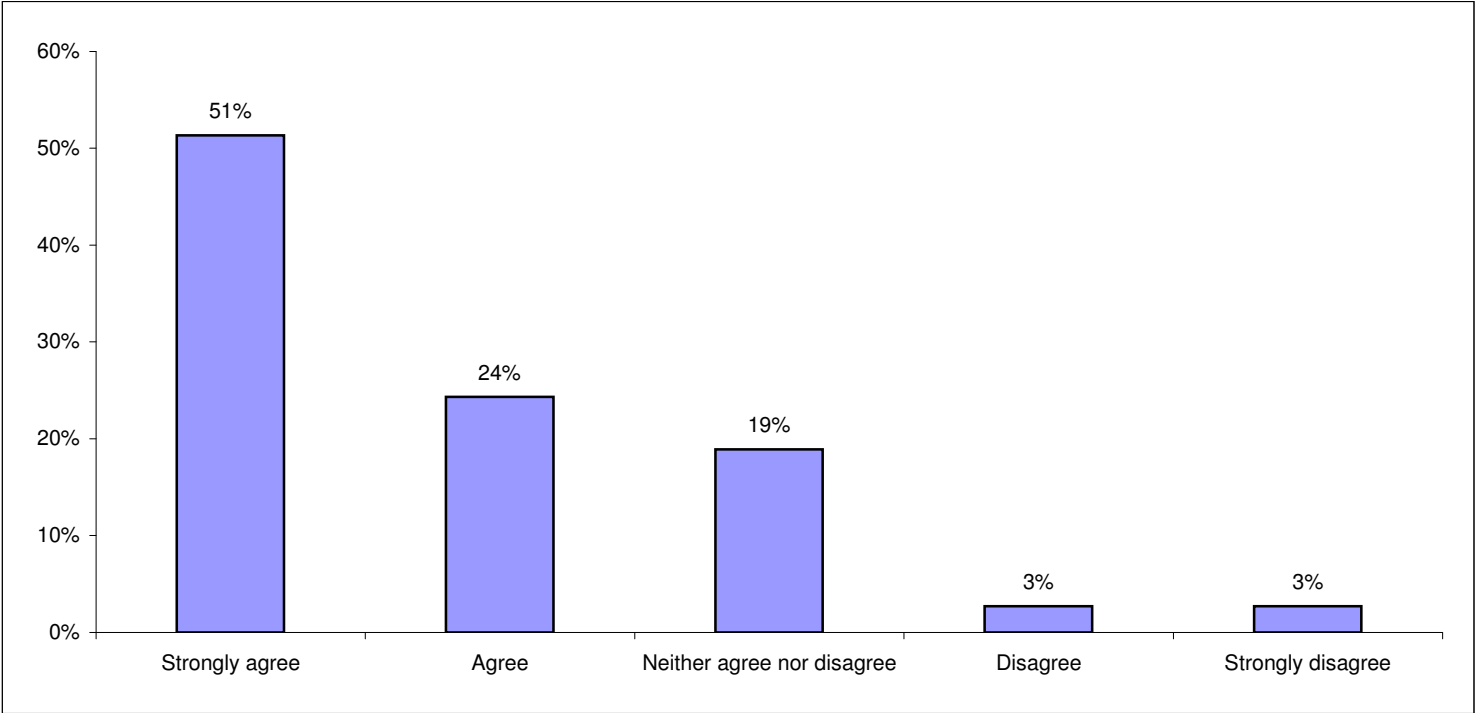

Applicants who are living in approved premises and do not have a local connection with the city

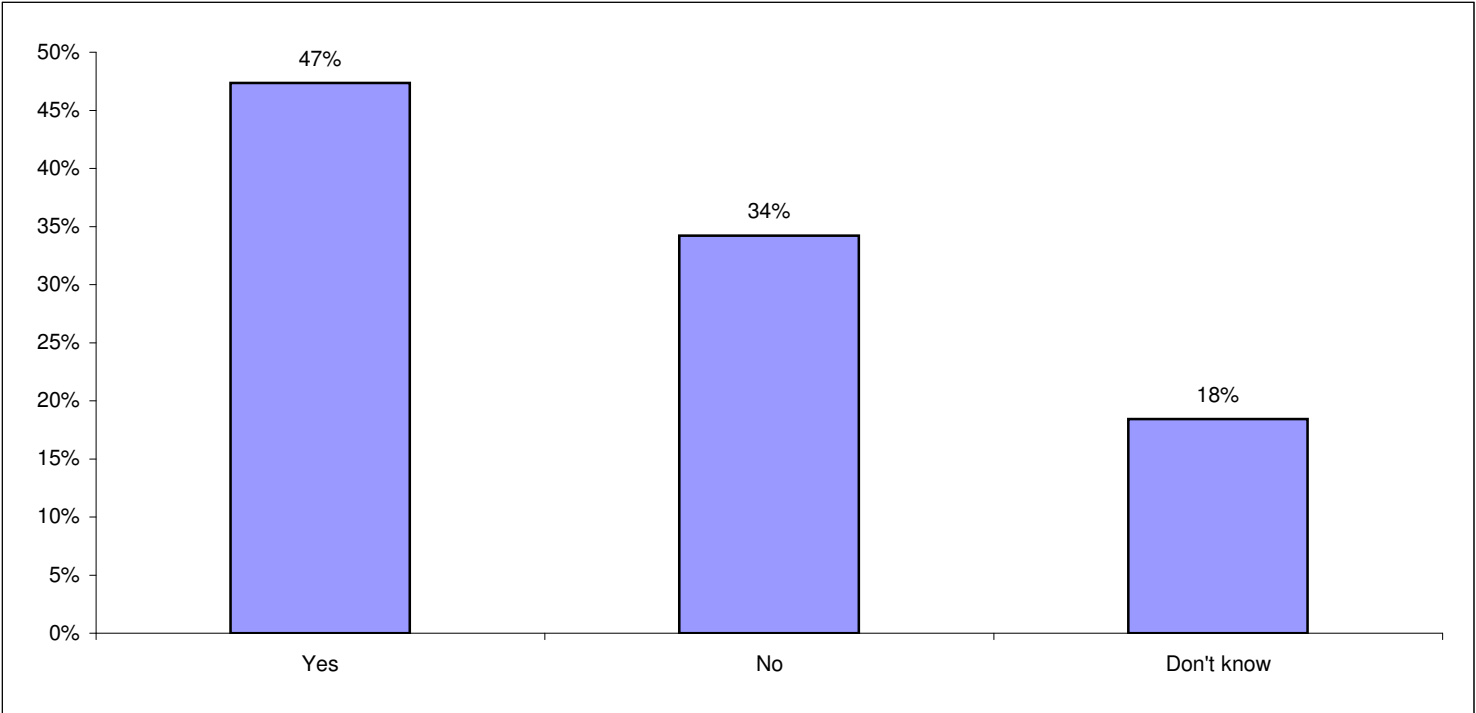

Applicants who have current and/or previous tenancy-related debt with a Social Housing landlord who have not entered into a formal agreement and have not made regular payments over a six-month period

Applicants or members of their households who are guilty of unacceptable behaviour unless we assess that the risk to the community has reduced

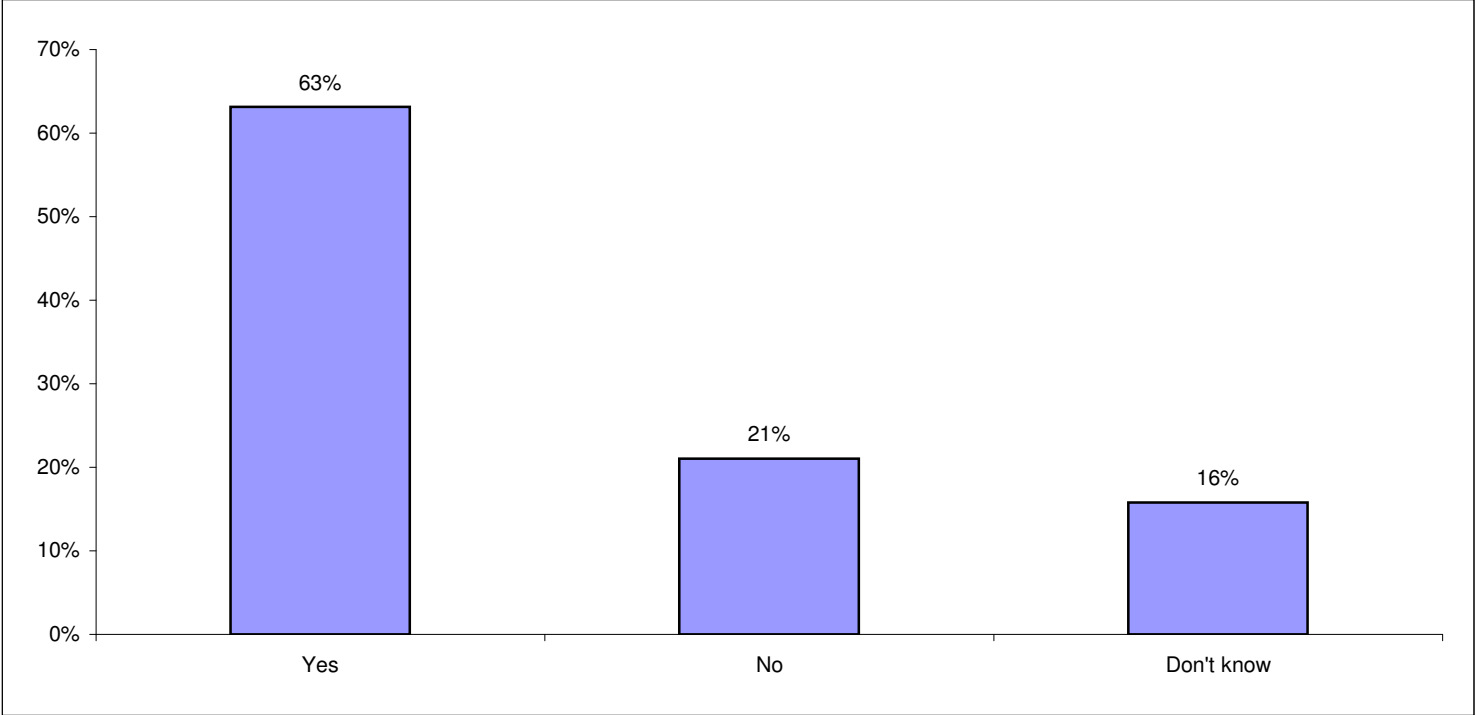

You are employed and have been for the last 12 months working 24 hours per week

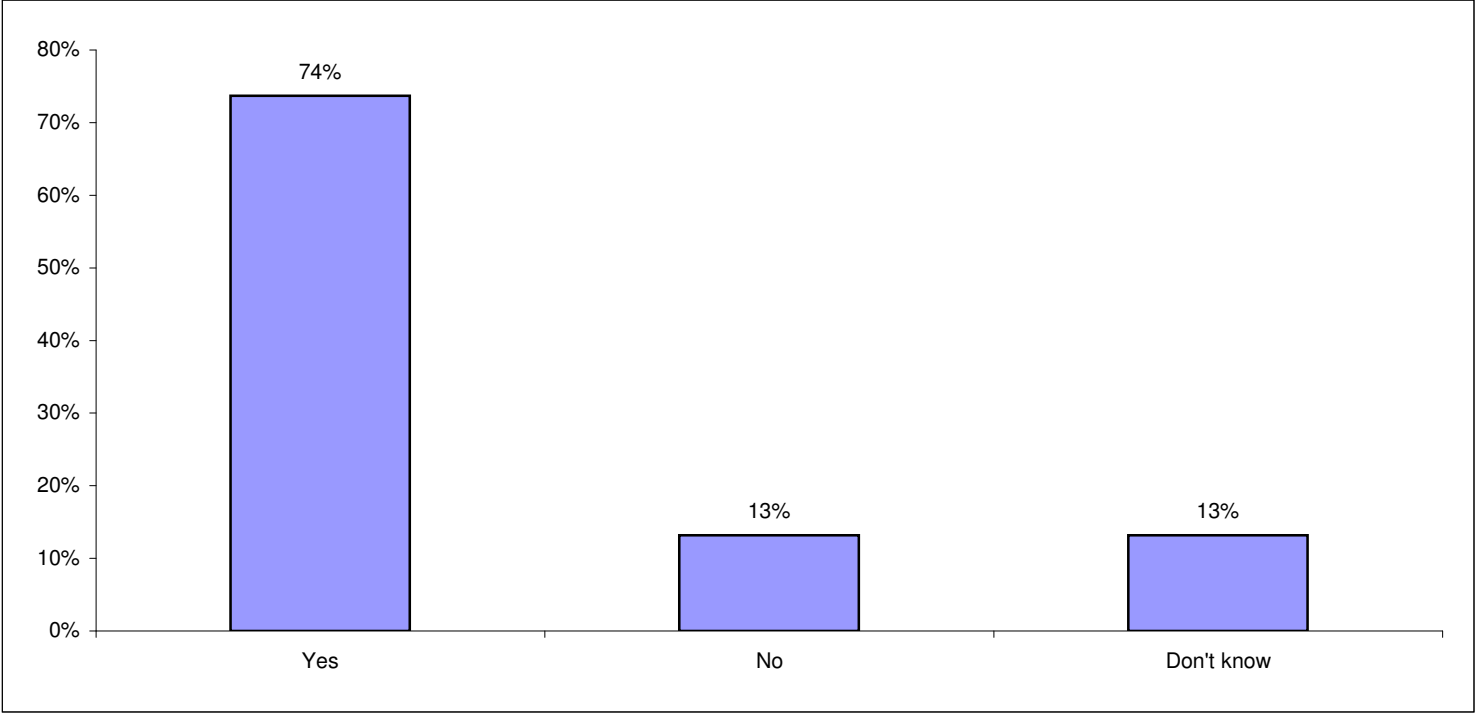

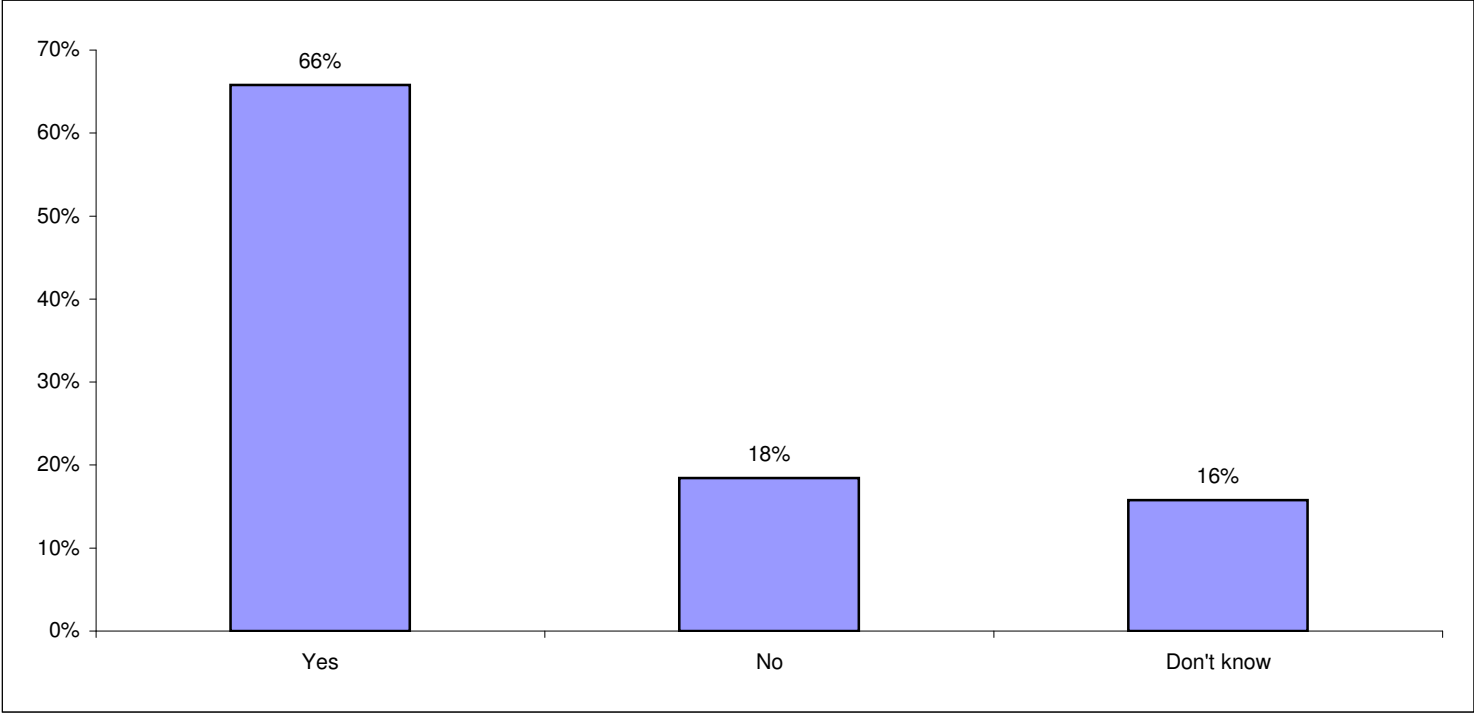

You are volunteer and have been for the last 6 months (continuously) for a charity or a not for profit organisation and you volunteer for a minimum of 10 hours per calendar month

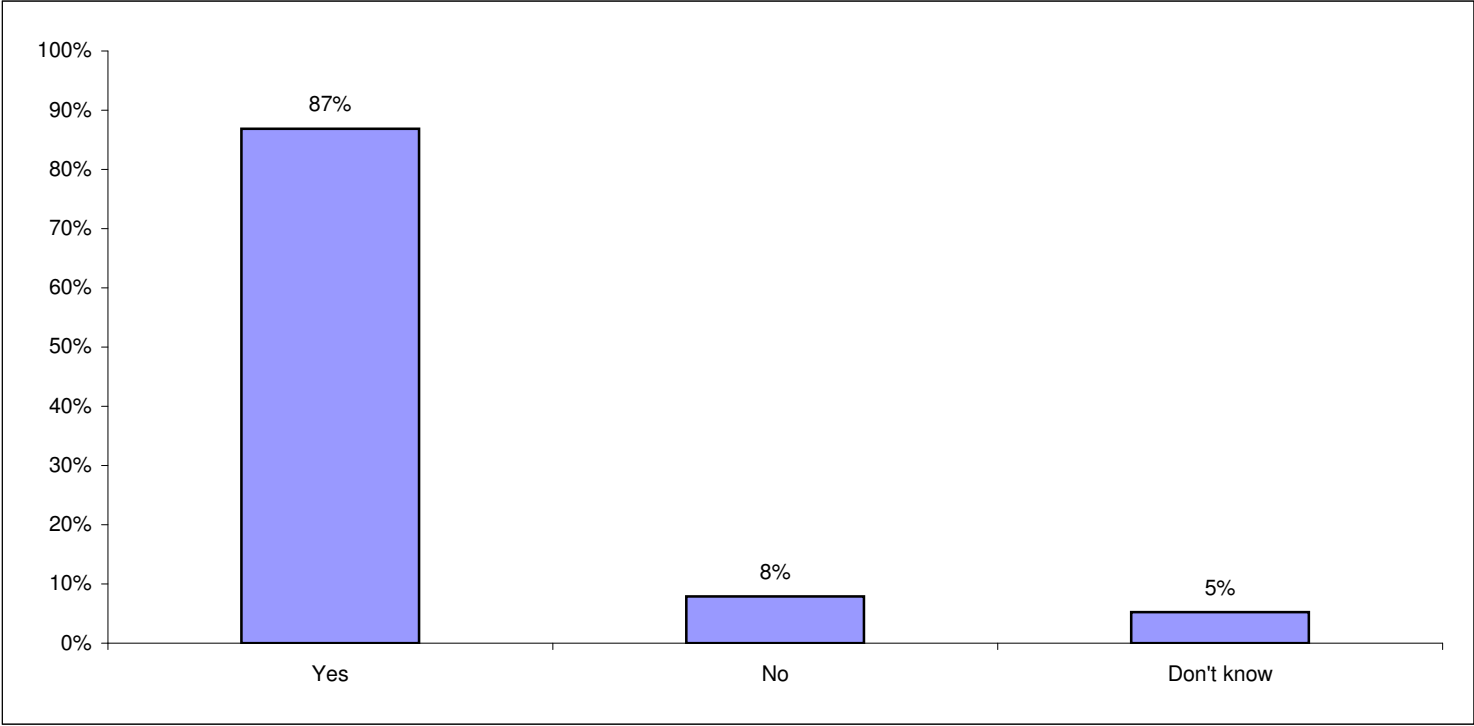

You give unpaid care and support to a vulnerable person who lives in the community

Do you agree with the change from 4 banding to 2

Do you agree with the proposal of advertising some properties on an 'Open to All' basis

Do you think retirement housing should continue to be advertised on a Wednesday
