Applicant's details To be filled-in in the presence of the

doctor carrying out the examination

Please make sure that you have printed your name and date of birth on each page before sending this form with your application

| 11 Your details | 12 Applicant's consent and declaration | | | |
|--|--|--|--|--|
| Your full name Your address | Consent and declaration This section MUST be filled in and must NOT be altered in any way. Please read the following important information carefully then sign to confirm the statements below. | | | |
| Email address Date of birth Home phone number Work/daytime number Date when first licensed to drive a lorry and/or bus | Important information about consent On occasion, as part of the investigation into your fitness to drive, DVLA may require you to undergo a medical examination or some form of practical assessment. In these circumstances, those personnel involved will require your background medical details to undertake an appropriate and adequate assessment. Such personnel might include doctors, orthoptists at eye clinics or paramedical staff at a driving assessment centre. Only information relevant to the assessment of your fitness to drive will be released. In addition, where the circumstances of your case appear exceptional, the relevant medical information would need to be considered by one or more members of the Secretary of State's Honorary Medical Advisory Panels. The membership of | | | |
| About your doctor/group practice Doctor/group name | these Panels conforms strictly to the principle of confidentiality. Consent and declaration I authorise my doctor(s) and specialist(s) to release reports/ medical information about my condition relevant to my fitness to drive, to the Secretary of State's medical adviser. I authorise the Secretary of State to disclose such relevant medical information as may be necessary to the investigation of my fitness to drive, to doctors, paramedical staff and panel members. I declare that I have checked the details I have given on the enclosed questionnaire and that, to the best of my knowledge and belief, they are correct. | | | |
