### **6/05 Apologies**

There were no apologies for absence.

### **7/05 Late Items Introduced by the Cabinet Member**

There were no late items

### **8/05 Declarations of Interest**

There were no declarations of interest.

## **Non-Key Decisions**

### **9/05 City Wide Wireless Network**

The Cabinet Member considered a report from the Corporate Director -  
Resources on City Wide Wireless Network.

The report detailed the proposal to create a city wide wireless network and  
requested approval to commission a feasibility study to examine the potential  
for establishing a city wide wireless network across Derby.

### **Decision**

Resolved:

1. to approve the commissioning of a feasibility study to examine the  
potential for establishing a city wide wireless network across Derby
2. to authorise the Director of Resources to commission such a study  
from one of the Councils existing technology partners in the first  
instance, or if that is not practical, otherwise seek tenders from suitable  
specialist organisations

3. to present the findings of the feasibility study to the Community Regeneration Commission after the completion of the study, but before the implementation of any recommendations of the study
