SUMMARY

- 1.1 At the Conservation Area Advisory Committee Meeting, on the 21st January 2016, it was agreed that a report would be brought to Committee that highlighted the applications that had been agreed with the Chair of the Conservation Area Advisory Committee (or the Vice- Chair in their absence) to be removed from that meeting's agenda. The applications have been removed from the agenda for 28th April 2016 can be seen in Appendix 1 of this report.

RECOMMENDATION

- 2.1 That the Members of Committee note the applications that the Chair of Conservation Area Advisory Committee has agreed not to be brought in front of Conservation Area Advisory Committee due to their minor nature and being mindful of the time available in meetings.

REASONS FOR RECOMMENDATION

- 3.1 To highlight to Members the items that has been removed from the agenda so that Committee members are aware of these.

SUPPORTING INFORMATION

- 4.1 Although these applications are not brought in front of committee please note that this does not exclude members as individuals making independent comments on individual applications. I would like to highlight that the Conservation and Urban Design Team undertake consultation responses on all of the applications whether they come before Conservation Area Advisory Committee or not.
