Report author: Conservation Officer

Draft Tall Buildings Study

Purpose

- 1.1 To highlight that the Draft Tall Building Study will be out for stakeholder consultation from the 20th January 2020 and so give the opportunity for Advisory Committee members to view and comment upon it.
- 1.2 Members of the Conservation Area Advisory Committee will be able to highlight any initial comments they have at the meeting. However as this is a short timescale there will be an opportunity for further comments to be submitted to the Chair following the meeting.

Recommendation(s)

- 2.1 To consider the Draft Tall Building Study document.
- 2.2 To provide comments on the draft study following the meeting.

Reason(s)

- 3.1 To update the Committee.
- 3.2 To allow members of the Committee an opportunity to make comments on the document.

Supporting information

- 4.1 A link to a copy of the draft Tall Building Study will be circulated to members of the Committee on the 20th January 2020 by email (subject to approval by the project Steering Group).
- 4.2 There will be an opportunity to discuss the draft study at the meeting and minutes will be taken to capture any initial comments. It is acknowledged that timescales for reviewing the document are tight and therefore further comments can be submitted directly to the Chair by **noon on Thursday 13th February**.
