

## Multi-sports Arena Topic Review

### SUMMARY

- 1.1 At its last meeting the Commission received presentations on all of the key issues and priorities for the Neighbourhoods Department for the forthcoming year.
- 1.2 Following the presentation, the Commission decided to choose the Multi-sports Arena for its Topic Review for 2011/12.
- 1.3 After initial discussions with officers it was felt that a presentation on the history and progress of the Multi-sports Arena would be extremely useful for the Commission to help you to determine which aspect of the Multi Sports Arena the Commission wishes to look at.
- 1.4 Once the Commission has narrowed down the scope of the Review, the Commission is asked to consider what aims and objectives it wishes the review to adopt.

### RECOMMENDATION

- 2.1 Following the presentation by officers, to agree what area of the Multisports Arena the commission wishes to focus its review on.
- 2.2 To agree the aims and objectives of the review.

### REASONS FOR RECOMMENDATION

- 3.1 The Commission needs a clear focus for its review and should try to select an area where they and officers feel they can add value.
- 3.2 Once they have selected the focus it is beneficial to set out the aims and objectives of the review. This gives the Commission a clear idea of the purpose of the review and what it aims to achieve.
