- Drug Treatment Provision – Adult and Young People
- Bradshaw Clinic Primary and Shared Care with the PCT
- Drug Market disruption
- Priority and Prolific Offenders and Drug Intervention Programme

Multi-agency and Partnership Working

- Youth Offending Service - prevention and reduction of youth crime
- Multi-agency teams delivering integrated end to end case management
- Strong neighbourhood and community focus in delivering services
- Particular focus on prevention and high risk young people

The CSP and Diversity

- Aim to address the needs of all communities in Derby City in all areas of CSP work.
- Pro-active approach to community engagement.
- Giving service users a voice in delivery.
- Strong use of volunteers from all sections of the community.
- Annual community surveys.

Needs Assessment and Performance review

- The Annual CSP Commissioning Cycle aims to:
- Ensure evidenced based identification of priorities
- Ensure an achievable delivery plan.
- Ensure robust performance management and finance management arrangements.
- Focus in on the needs of individual groups.
- Focus in on local community issues.
- Hold ourselves up to accountability to the communities we serve
