Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

We will take strict measures to ensure that no alcohol is sold to any one under the age. A strict challenge 25 procedure will be in place and all staff will be trained in this. Any individual deemed to have over stepped the limit with the consumption of alcohol will be denied service. And all noise and any type of disturbance will be stopped at all times.

**b) The prevention of crime and disorder**

Any individual deemed to have over stepped the mark with alcohol will be denied service. Any unruly behaviour towards staff, members of the public or anyone else will not be tolerated at any time.

We will be looking into getting CCTV installed on premise should a license be granted. This will ensure the reduction of any crime or disorder on our premises.

**c) Public safety**

. We will be ensuring that All staff training is up to the highest standard. Staff are to be briefed daily on the procedure in the second of alcohol on the premises. This will ensure that public safety is upheld at our venue at all times.

Also due to the small size of our venue it is highly unlikely for public safety issues to arise, but if they did there would always be the designated personal alcohol license Hold up will be on site at all time.

**d) The prevention of public nuisance**

Our small sized venue and the day time opening hours would limit the amount of Alcohol sold on site.

We will also advertise with posters and in our terms and conditions with customers that any public nuisance acts or any acts we deem to be unacceptable in anyway due to the consumption of alcohol will not be accepted in any form

Special consideration will be made if any local events are on such football matches etc. if we deem that these events will cause any issues to the public then this will effect the selling of alcohol on said event .

Any promotions or drink offers would not promote binge drinking again reducing any chance of public nuisance issues.

**e) The protection of children from ha**

A strict challenge 25 rule I will be in place. This will be carried out by all members of staff at all times. All members of staff will be trained to the highest standards regarding any selling of alcohol on site.

  15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
    - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
      - does not have the right to live and work in the UK; or
      - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
