Recommendation

Supporting information

- 4.1 The draft document ‘Ambition’ has been published, which is the first stage in developing a new vision for Derby city centre.

The launch of this document marks the start of a conversation about the long-term future of the city centre, and the City Council are keen to get feedback on the issues raised in the document and the ideas we have identified.

This document went before Conservation and Heritage Advisory Committee for their group comments and a response was agreed at the last meeting. This report is to formally record these.
