Internal Audit Progress Report

Purpose

- 1.1 The progress report attached at Appendix 1 provides the Committee with an overview of the output from Internal Audit assurance work for the period from 1st July 2022 to 31st August 2022.

Recommendations

- 2.1 To note the progress being made by Internal Audit on its work in 2022/23 in the report at Appendix 1.
- 2.2 To review the control issues being raised by Internal Audit and management's response to the risks.
- 2.3 To review the progress being made by management in respect of the implementation of internal audit recommendations.

Reasons

- 3.1 The Audit and Governance Committee is responsible for providing assurance to the Council on the effectiveness of its governance arrangements, its risk management framework and the internal control environment. The work of Internal Audit supports the Committee in providing this assurance.

Supporting information

- 4.1 An internal audit plan needs to take account of changes in the Council's risks. The move to a rolling quarterly based internal audit plan has helped to achieve a more responsive approach to changes in risk.
