

#### COUNCIL CABINET 17 MARCH 2009

Report of the Corporate Director of Corporate and Adult Services

# **ACCOMMODATION STRATEGY - SELECTION OF BIDDERS**

# SUMMARY

1.1 To consider the expressions of interest received following the notice in the Official Journal of the European Union (OJEU) for the tender for the provision of office accommodation and approve the proposed shortlist to participate in the next stage of the procurement process under which more detailed proposals will be submitted.

# RECOMMENDATION

2.1 To approve the shortlist as detailed in the Report in Appendix 2 in the confidential section of the Agenda.

#### **REASONS FOR RECOMMENDATION**

3.1 Eighteen expressions of interest were received to the OJEU notice. These have been evaluated against pre-determined criteria and a short list of the applicants most suitable to progress to the next stage of the procurement process established.

# SUPPORTING INFORMATION

- 4.1 Cabinet, at its meeting on 2 September 2008, approved the refurbishment of the Council House and the beginning of the procurement process to acquire new or refurbished offices to accommodate the remaining staff.
- 4.2 In light of the changed economic circumstances Cabinet then agreed, on 13 January 2009, to suspend work on the refurbishment of the Council House pending a review of receipt of responses to an OJEU notice for proposals to provide administrative accommodation to:
  - meet all the Council's needs (Option A)
  - provide for 'back office staff' assuming the Council House is retained (Option B).

The site was required to be located within or immediately adjacent to the line of the Inner Ring Road.

- 4.3 Eighteen responses were received by the due date set for submission. Each applicant was required to complete a Pre- Qualification Questionnaire which sought details of their technical and financial standing, along with questions on location and site ownership. The applications have been scored on pre-determined published criteria and ranked accordingly. Due to their importance, additional weighting has been applied to two of the criteria: title to land, because of deliverability, and location, from a customer perspective for Option A full new building, and from proximity to Council House for Option B 'Back Office' accommodation.
- 4.4 The bids have been evaluated to establish a shortlist to proceed to the next stage. A summary sheet showing of the ranking of the bidders and the proposed shortlist is shown at Appendix 2 in the confidential section of the Agenda. At the time of writing this report, the bidders have not been evaluated for financial standing. Should any of those shortlisted fail this test it will be reported orally at the meeting.
- 4.5 It is proposed to invite the top six scoring companies for both options A and B to submit further proposals. For this next stage, companies will be required to submit outline proposals and indicative costings.
- 4.6 The documents, including specification requirements, for the next stage will be sent out in late March and returned in late May with the intention of reporting outcomes to Cabinet in July. This will allow further consideration on affordability and scheme suitability to determine the accommodation strategy.

# OTHER OPTIONS CONSIDERED

5.1 The process adopted will allow suitable currently available options to be considered as part of the accommodation strategy.

-----------	---	---

# IMPLICATIONS

# Financial

1.1 The next stage of the procurement process will be managed by in-house staff within existing budgets.

# Legal

2.1 The procurement process is being carried out in accordance with the European Procurement Directive

# Personnel

3.1 None

# **Equalities Impact**

4.1 The specification for the next stage will require access to meet the requirements of the Disability Discrimination Act. Consultation with the New Ways of Working Equalities Group is on-going and the Disabled People's Advisory Forum will be consulted at appropriate stages in the procurement process.

# Corporate objectives and priorities for change

5.1 The project will contribute to the priorities of **creating a 21<sup>st</sup> century city centre**, **leading Derby towards a better environment**, though providing an energy efficient building and **giving you excellent service and value for money.**
