Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy.
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.

Subject: Licensing Act 2003 - Application to vary a premises Licence - Derby Rugby Football Club Ltd, Haslams Lane, DE22 1EB

Dear Sirs,

I wish to make representations regarding the application to vary the Premises Licence by Derby Rugby Football Club. Details of the application : Exhibiting of films on the pitch on Thursday to Sunday evenings from 17.00 to 23.00.

Prevention of Crime and Disorder : Unless the Rugby Club are going to erect security fencing around the public viewing area then access to the site is limited only by open rail fencing at the roadside or through a rough hedge at the opposite side. No Security is indicated for the site unless heavy attendance bookings are made.

The prevention of Public Nuisance : The showing of films together with the soundtrack loud enough for all the viewers to hear clearly could be annoying for the residents of Folly Road/Haslams Lane. Additionally, late night departures from the car park and/or local streets would be unwelcome to house holders. The fact that alcohol is allowed at the site, as well as being available from the club bar also raises concern.

The Protection of Children from Harm : The lack of any security and no organised seating arrangements, together with the availability of alcohol could be a recipe for disaster with young children's sense of adventure and curiosity for investigating strange places.

Public Safety : Lack of security, open fencing, unlimited availability of alcohol.

The above items are my reasons for objecting to this application.

It would appear, as already advertised by QUAD (in advance of the application being granted), that this is only to be a one-off event for two nights 25th and 26th August. Why is it necessary to apply for a four evenings per week variation to the licence in perpetuity?? Would not a temporary variation be adequate?

Quad are advertising "spectacular fireworks" following the screening. In an area surrounded by residential properties we feel this is most unsuitable and it will be a very unwelcome and inconsiderate disturbance of the peace so late in the evening.

.....

As mentioned to one of your employees, the copy of this Application was badly displayed by the Rugby Club, indeed one notice was lying in the grass soaked with rain. The notice gives a closing date for representations of 3rd June 2017, whereas you apparently have 2nd June as closing date. Also the notice displayed advises that "details of the

application may be inspected between the hours of 10am and 15.30pm from Mon-Fri inclusive, at the offices of the Licensing Team". We were told on arrival at the Council House that the department closes at 12.45pm and has done so since the end of last year. Perhaps somebody should tell whoever prints the notices??

Yours faithfully,

Gordon & Faye Jones

Subject: Derby Rugby Football Club - Variation of Premise Licence

To whom it may concern

I am writing to express concern in relation to the application by Derby Rugby Football Club to vary its premise license to show open air films.

I am concerned that at least one of the four licensing objectives will not be met, specifically:

- 1) Public safety - vehicular movements on Haslams Lane and through Darley Abbey Mills are already greatly enhanced and this will add to that flow especially at night when there is insufficient street-lighting and no pavements to ensure public safety.
- 2) The prevention of public nuisance - I understand that the licence variation is for films to be shown on potentially FOUR consecutive (Thu-Sun) nights up to 11:30pm. An open air cinema will generate high levels of noise and light pollution directly adjacent to a residential street on two evenings preceding school and work. How loud will the noise levels be as nothing is said in the application? How many weekends will be taken up with films being shown?
- 3) The prevention of crime and disorder - the application states that security would only be used if ticket sales were high - although no mention is made of what constitutes "high" or (more importantly) the maximum number of people permitted at the event. However, public events should have marshals and security irrespective of attendance levels especially when alcohol is available on site.
- 4) The protection of children from harm - many children live on Folly Road adjacent to the rugby club so will be impacted by increased noise and light levels as per (2) above.

I also have an issue with how this application has been conducted "under the radar". Despite living adjacent to the rugby club I only found out that film showings were planned when we received an advert from the Quad that the films were going to be shown. I have received nothing from the rugby club itself.

Further, I understand that licensing authorities are required to advertise licence applications "in a manner likely to bring the application to the attention of persons likely to be affected by it." I'm not sure this has happened either.

I'm not against a one-off event when the impacts can be properly assessed but to give an open-ended variation for up to four showings every week until 11:30pm seems ill-conceived to me.

Many thanks,
Simon Worsey

Please find my concerns and objections to the licensing application for Derby Rugby Football Club, Haslams Lane, to show films outdoors Thu to Sun (inclusive), 17:00 to 23:30.

Given I could not find the application on the Derby City Council website, I believe the response date of 3 June should be extended to allow other residents to pass comment. One A4 piece of paper on a street light is not enough visibility. Should the residents of Folly Road not each have received a letter on this issue?

1. Why has the application not been fully filled in –
 - a. Part 4, why has I and J not been ticked.
 - b. B – why has this sheet not been completed – presumably it is outdoors, what is the seasonal variation
 - c. I and J not completed (they should have been ticked as per a. above)
 - d. K, L, M to be completed in all cases
 - i. K not included in the application I have seen
 - ii. L – why 08:00 to 24:00, different to times in B
 - iii. M, why are boxes b,c, d and e not completed fully?
2. Given the limited information on the application, my concerns are:
 - a. Public nuisance – noise, I can easily hear the noise (music) from the wedding venue (above the noise of the weir) when they have a band outside (or the one occasion they had the windows open and the disco was on), so it can be assumed that the noise from an open air cinema will be worse given the distances and geography and volume. Front bedrooms in houses on Folly Road should be able to have windows open in the summer without noise disturbance. Residents with children or residents with mental wellbeing issues need to know that they can go to bed at a reasonable time and not be disturbed. 23:30 is far too late (particularly on nights before school or work).

It will also cause excessive noise if the license is given as customers shut car doors, start engines and leave after the film.

- b. Public safety and protection of children from harm. - Parking – Folly Road is an adopted residential road. We already suffer from use as a car park by gym members from the Mill, as well as overflow of Rugby. Parking causes access issues and concerns over the safety of pedestrians (children) and walkers (a popular dog walking route). It will also cause excessive noise if the license is given as customers shut car doors, start engines and leave after the film.
- c. Crime and disorder – the license states that alcohol (not alcahol!) can be brought by customers, as well as purchase from the rugby club licensed bar. This raises concern over increased disorder in the area. The site is an easy walk from many areas of Derby, and you only have to visit the green outside the Abbey Pub on the other side of the village to see the shouting and threatening behaviour that occurs on a sunny day when the number of beers gets the better of some.
