04/15 Inspection of services for children in need of help and protection, children looked after and care leavers – self-assessment and improvement plan

The Board received a report of the Acting Strategic Director of Children and Young People on Inspection of services for children in need of help and protection, children looked after and care leavers – update. The report was presented by the Acting Director and the Policy and Improvement Manager.

It was reported that the single social care inspection framework (SIF) was first introduced in November 2013 and at the end of June 2015 59 reports had been published for authorities inspected under the framework, with the largest proportion being judged as 'requires improvement'. It was further reported that the results were as follows:

- Inadequate – 14 out of 59 authorities (24%).
- Requires improvement – 31 out of 59 (52%).
- Good – 14 out of 59 (24%).

Members noted that no authority had yet been judged as outstanding.

It was reported that the supporting guidance against which Ofsted carried out

these inspections, 'The Inspector's Handbook', was first published in December 2013 and presented local authorities with a guide on what to expect during the inspection period, alongside a list of requirements. It was further reported that Ofsted had published a fourth edition of the guidance in September 2015.

The Policy and Improvement Manager wished it to be noted that, due to an error in the report, Ofsted inspectors would arrive on a Tuesday instead of a Wednesday.

Members noted that 'children in need' was a key area of risk identified by Ofsted.

Members discussed training for relevant Councillors, including mock interviews, to prepare them for speaking to Ofsted inspectors.

Resolved to note the report and presentation.

05/15 Work Programme and Terms of Reference

The Board received a report of the Strategic Director of Resources on Work Programme and Terms of Reference.

The report provided Members of the Board with an opportunity to study its Terms of Reference and remit for the forthcoming municipal year and the relevant rules of the constitution.

Members also had an opportunity to consider and agree the draft Inspiring Young People work programme.

Members noted the new scrutiny structure and that it included a Corporate Scrutiny and Governance Board. Members also noted that statutory items would now go to the Corporate Scrutiny and Governance Board.

It was reported that the Senior Democratic Services Officer had met with The Acting Director for Children and Young People to identify some key areas for scrutiny and that this had formed the basis of the draft work programme.

Members noted that the work programme was not restrictive, and that Members could identify and introduce items for scrutiny throughout the year.

Members also noted that scrutiny items would be discussed at pre-meetings with the Chair and Vice Chair, and would be added to the Scrutiny Board Agenda at the Chair's discretion.

Resolved:

- 1. to agree the Board's Terms of Reference, at 4.1 of the report; and**
- 2. to agree the draft work programme for the 2015/16 municipal year, at Appendix 3 of the report.**
