05/11 Springfield Primary School – proposal for consultation

The Director of presented a report by the Strategic Director of Children and Young People. The report recommended that formal consultation commence on a proposal to add 12 enhanced resource places at Springfield Primary School for pupils with Autistic Spectrum Disorder (ASD) from September 2012.

In response to questions from members, it was confirmed that the school supported the proposals and that the number of recorded cases of ASD was showing a trend of increasing.

Members raised concern over the possibility of the consultation period coinciding with half-term. The Director of Commissioning confirmed it would be possible to amend the proposed dates to avoid this.

Resolved to commence formal consultation on a proposal to add 12 enhanced resource places at Springfield Primary School for pupils with Autistic Spectrum Disorder from September 2013, subject to the consultation timetable being amended such that the consultation period does not coincide with school holidays.
