

# **Health Update and** **Annual Report 2021/22**

**Heather Peet – Designated Nurse DDICB**  
**Kelly Thompson – Named Nurse DHcFT**

# Key Points

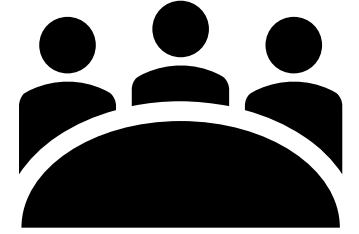

- Annual report 2021/2022
- CICA Team update
- Markers of Good Practice and Innovations / Ideas
- Risks / concerns
- Celebrations
- Priorities for 2022/2023

# Annual Report 2021/2022

- Markers of Good Practice
- Health performance data (slight drop for the under 5's, annual RHAs – linked to placed out of area). Dental checks improved
- Health accessing Liquid Logic – improved data accuracy
- Improved compliance with IHAs
- Foster carer health learning sessions
- 'My Health Passport' embedding
- Derbyshire Integrated Sexual Health Service Accessibility and Engagement Fund
- Access to 'ICE' (Integrated Clinical Environment) pathology system - BBV bloods process
- Childrens Homes links – health promotion work
- Electronic feedback form developed

# CICA Team Update

- Admin hours increased
- More medic time for IHAs and adoption
- Upskilling / training of staff
- Annual Derby and Derbyshire Development Day
- Pathways and processes reviewed
- Adaptations/changes on-going post Covid
- Continuation of foster carer support/learning
- Increased choice for CYP on RHA delivery
- Nurse team diversity

# Markers of Good Practice

- Assurance mechanism – ICB (formerly CCG) / Provider. Significant level of assurance gained
- Progress on previous years

## **New Innovation / Ideas:**

- Animation films
- FASD consideration
- UASC support
- Review of Leaving Care Health Summary (inc for learning needs)

# Risks / concerns

- Continued issue with dental 'home' (no longer called registration). Routine access is improving
- On-going work around timely consents
- Children placed out of area – affecting statutory compliance
- Competing demands for the health team – eg: IHAs and Adoption work
- UASC and former UASC – additional health needs
- Transition for care experienced young people
- Was not brought (work on-going)

# Celebrations

- Collaboration continues to remain stronger than ever between partner agencies
- Embedding of Enhanced Case Management Meetings and impact for children / young people
- Sleep Practitioner within the team
- Impact for children and young people – making a difference.
- Childrens stories – brought to life

# Priorities for 2022/23

- Deliver further health promotion sessions
- Resume foster carer sessions face to face
- Continue working closely with the Derbyshire CIC team to embed a Joined-up Care Derbyshire Approach
- Build relationships with the leaving care team to improve support around transition
- Deliver quarterly action learning sets for all CIC Nurses in collaboration with the Designated Nurse for Looked after Children
- Roll out the training resource for foster carers and residential children care workers to use when supporting children and young people with sexual health.
- Newly appointed Doctor for Adoption
- Continue to provide opportunities for students
