53/21 Performance Plan 2021/22

The Board considered a report of the Director of Policy, Insight and Communications on Performance Plan 2021/22.

It was reported that the Executive Scrutiny Board had responsibility for monitoring corporate performance, to support the delivery of improved outcomes for the city.

A councillor suggested that climate change should be referred to all of the scrutiny boards, rather than just the Regeneration and Housing Scrutiny Board.

The Board resolved:

- 1. To approve the proposals, set out in Appendix 1, to progress the Executive Scrutiny Board 2021/22 Performance Plan, which was approved in August 2021.**
- 2. to recommend that the performance items identified at Appendix 1 for referral are included on the work programmes of the relevant Overview and Scrutiny Review Boards for 2021/22; subject to climate change being referred to all scrutiny review boards.**
- 3. to note the draft Overview and Scrutiny Review Boards work plans for 2021/22, as presented in Appendix 2.**
