

Recommendations of SACRE sub-group with regard to proposal to create a Derby City SACRE website

Present

Ruth Dolby

Mike Lake

Viv Lawrence

Cllr Robin Turner

Graham Falgate

The sub-group met on Friday 25 January in the Council House to discuss aspects related to the creation of a Derby City SACRE website. The meeting focussed on recommended content of any future website. The following are the content areas agreed by the sub-group and which are now recommended to a full SACRE for consideration.

In no particular order of priority:

The website should contain

1. What is SACRE? Its functions and legal responsibility
2. Related issues to do with RE and the law with links to appropriate legislation and guidance
3. Who are the members of SACRE with agreed contact details
4. Minutes of previous meetings
5. Copies of previous Annual reports
6. Dates of future meetings
7. List of schools who have determination together with dates for renewal
8. Clarification about which schools in the local authority follow the Agreed Syllabus and which follow a Diocesan Syllabus – some text about the distinction between Aided and Controlled Schools
9. Details of SACRE Awards/current initiatives etc
10. Legal requirements with regard to Collective Worship and how SACRE can support Collective Worship
11. Links to Council RE website and other appropriate websites including NASACRE
12. Induction guidance and support for new members
