

Re-commissioning Derby Walk-in Services

SUMMARY

- 1.1 The contract for the two Derby Walk-in Services expires on 31 March 2015 and is being re-commissioned by Southern Derbyshire Clinical Commissioning Group. The attached report provides an overview on the tendering and implementation of the walk-in services for the city.

RECOMMENDATION

- 2.1 To consider and note the tendering process and the appointment of preferred provider for Derby Walk-in services.

REASONS FOR RECOMMENDATION

- 3.1 The Board has a statutory responsibility for scrutinising NHS health services in the city to help improve services for Derby residents.

SUPPORTING INFORMATION

- 4.1 The Board has a keen interest in walk-in services as they provide easy access to primary care services and help keep pressures on A&E and GP services to a minimum. The Board formally responded to the CCG's consultation programme at its November 2013 meeting and recommended retaining two walk-in centres in the city. The Board further recommended upgrading the Osmaston Road nurse led centre to a GP led service as this is considered to provide better value for money and help reduce duplication of scarce resources with patients being referred on to GP's and the Emergency Department.

OTHER OPTIONS CONSIDERED

- 5.1 None.
