36/12 Notices of Motion

1) Protecting local residents from flood risk consequences

Resolved on the motion of Councillor Dhindsa and seconded, that

‘Council notes the efforts that have been undertaken, in conjunction with the Environment Agency, to reduce flood risk in the City.

With an estimated 3,600 properties potentially at risk in a severe flood event, in the Lower Derwent Valley area, Council is concerned that the five year agreement, brokered by Government, with the UK insurance industry, is due to end in June 2013.

Council therefore calls on the Leader of the Council, to write to Government, highlighting the significant efforts the authority has made and will continue to make.

Council calls on the Leader to seek assurances from Government that it will either extend the current agreement, or put in place some other arrangements that will support local residents and protect them, against significant insurance increases. ‘

2) Welfare Reform Bill

Resolved on the motion of Councillor Roberts and seconded, that

‘Whilst Council recognises that the Welfare Reform Bill has now been passed, we strongly urge the Government to re-examine their proposals, for what has now become known as ‘the bedroom tax’

We believe that these proposals will not achieve their objectives and will have a significantly damaging effect on the most vulnerable members of our community in social housing.

The Bill, it is claimed, will affect an estimated 600,000 working age social tenants in the East Midlands -30% of existing working age housing benefit claimants in the social sector. The majority of these people have only one extra bedroom and will see a reduction of 14% in Housing Benefit.

Many people, who have been excellent tenants, will be forced to move and, because of the shortage of appropriate social housing, be forced into the higher cost private sector

Derby City Council believes that the effects of this aspect of the Bill will be neither helpful nor effective and lead to greater deprivation amongst the less well off in our city.

Council calls on the Cabinet Member for Housing to write directly to the Government.’

3) Fitting of sprinkler systems in new homes

Resolved on the motion of Councillor Bolton and seconded, that

‘Council notes, with sadness, the recent tragic events in this city, relating to fires in the home. Council applauds the efforts of Derbyshire Fire and Rescue Service, in encouraging homeowners/landlords to install fire prevention measures, and Council supports the installation of sprinkler systems in all new homes.

However, Council recognises the necessity for legislative change to enable this. It is noted that changes in Building Regulations, introduced by the Welsh

Assembly, could see sprinklers required in all new homes in Wales by April 2013

Council therefore calls on the Secretary of State, to introduce similar changes to the Building regulations in England, as a matter of urgency, to prevent similar tragedies occurring in the future.

Furthermore, Council instructs officers to look into whether such requirements could be imposed on all new build properties, on the granting of planning permission, in Derby '

4) Support for London 2012 Olympics

It was moved by Councillor Carr and seconded that

'Council welcomes the 2012 Olympics to the UK and expresses its support for our Olympians, particularly those from Derbyshire.

We believe that the new Multi-Sports Arena, now supported by the current administration, will be able to build on the success of our Olympians and bring to Derby a new era of sporting success.'

It was moved by Councillor Bayliss and seconded that the motion be amended, with the replacement of paragraph 2 to read

'We believe the outstanding support for the Olympics, shown by the people of Derby at the Olympic Torch Relay event, is to be applauded and, should the new Multi Sports Arena be built, this will give a Derby springboard for Derby Olympians of the future and bring Derby a new era of sporting success'

The amendment was carried

Resolved that

'Council welcomes the 2012 Olympics to the UK and expresses its support for our Olympians, particularly those from Derbyshire.

We believe the outstanding support for the Olympics, shown by the people of Derby at the Olympic Torch Relay event, is to be applauded and, should the new Multi Sports Arena be built, this will give a Derby springboard for Derby Olympians of the future and bring Derby a new era of sporting success'
