People of the Community Subgroup- through Derby Millenium Network – <i>Community budget fund</i>	£1000.00
People of the Community Subgroup- through Derby Millenium Network - <i>Highways, Young People, Community Safety funding</i>	£300.00

This funding is allocated to the subgroup, provided that:

- The allocation of £1,300 is the maximum allocation towards this project (Arboretum Event).
- A clear, concise set of aims that link in to the Board priorities is to be developed.
- The event has to be used for the following:
  - Promote the Forums and the opportunities to get involved in Neighbourhood Working through community champions, Neighbourhood Forums etc.
  - Reaching out to all communities, including Eastern European groups- This event must be open to all in Arboretum Ward, not just to community and Voluntary sector groups.

A report is to be submitted by the POTC subgroup to the 2<sup>nd</sup> September Board with clearer aims and objectives, and an invite to Board members to join a working party to plan the event.
