

## **HEALTH AND WELLBEING BOARD**

### **8<sup>th</sup> September 2022**

# **ITEM 10**

Report sponsor: Chris Clayton, Chief Executive,  
NHS Derby & Derbyshire Integrated Care Board

Report author: Alison Wynn, Assistant Director  
of Public Health

## **Joined Up Care Derbyshire Update**

### **Purpose**

- 1.1 This report provides an update from Joined Up Care Derbyshire (JUCD).

### **Recommendation**

- 2.1 To note the update from JUCD.

### **Reason**

- 3.1 To ensure that the Health and Wellbeing Board is informed of, and engaged with, JUCD, ensuring alignment and joint effort as necessary on shared priorities.

### **Supporting information**

- 4.1 Integrated care systems (ICSs) are partnerships of organisations that come together to plan and deliver joined up health and care services. Each ICS comprises of:
  - Integrated Care Partnership (ICP) - the broad alliance of organisations and representatives concerned with improving the care, health and wellbeing of the population, jointly convened by local authorities and the NHS.
  - Integrated Care Board (ICB) - bringing the NHS together locally to improve population health and care.
- 4.2 Joined Up Care Derbyshire (JUCD) is responsible for coordinating health and social care across Derby and Derbyshire. It is one of 42 Integrated Care Systems across England, and brings together NHS bodies, local authorities and voluntary sector organisations to deliver better care for our whole community.
- 4.3 Derby and Derbyshire ICP continues to operate in shadow form. Work is ongoing to formally establish joint arrangements between Derby and Derbyshire ICB, Derby City Council and Derbyshire County Council. As part of due process, reports will be taken to the Cabinets of both Councils in the autumn.

- 4.4 Over summer, JUCD has had a focus on recruitment and career development to develop our local workforce. This has included:
- Two large health and social care recruitment events in June. JUCD along with nearly 30 employers across health and social care in Derby and Derbyshire participated at the events at Chesterfield and Derby Colleges.
  - Levy gifting to fund over 40 apprenticeships across a range of roles in the system.
  - A Sector Work-based Academy Programme (SWAP) to be held in September 2022 aimed at people who are currently unemployed and are looking to get into the social care sector.
  - Re-introduction of virtual work experience programme with Springpod®. The programme features modules on various careers such as care work, midwifery, allied health professions, administrative and non-clinical roles.
  - Further development of the Step Into Work programme including collaboration with The Prince's Trust and the development of an 'enhanced' model for the programme to improve access for candidates who are otherwise excluded from entry to vocational training.

Further information can be found in the Joined Up Careers Derbyshire Newsletter issue 2 – July 2022, attached for information.

- 4.5 JUCD has introduced regular Team Derbyshire Briefings for all health and care colleagues working in Derby and Derbyshire. Sessions look at different aspects of the health and care system to help grow our understanding of what it means to be an Integrated Care System.
- 4.6 More information on Joined Up Care Derbyshire can be found by accessing: <https://joinedupcarederbyshire.co.uk/>.
- 4.7 JUCD publishes bi-monthly newsletters which provide news and updates on the ICS. The newsletter can be subscribed to using the following link: <https://joinedupcarederbyshire.co.uk/newsletter/>

## **Public/stakeholder engagement**

- 5.1 JUCD works closely with people and communities across Derby and Derbyshire, listening to, understanding and drawing on the diverse thinking of those served. For further information see: <https://joinedupcarederbyshire.co.uk/involving-people-communities/>

## **Other options**

- 6.1 None.

## Financial and value for money issues

7.1 The efficient and effective use of resources is a primary objective of JUCD.

## Legal implications

8.1 None.

## Climate implications

9.1 None.

## Other significant implications

10.1 None.
