

SAFETY ADVISORY GROUP

RECOMMENDATION

1. Committee is asked to endorse that the Head of Building Consultancy become Chair of the Safety Advisory Group, and that the Principal Building Control Surveyor assumes the role of Lead Technical Officer, for the 2006/07 Season.

SUPPORTING INFORMATION

- 2.1 I reported to the Safety Advisory Group at its 21 April meeting that I would be retiring as Chair at the July Meeting. Given that the Statutory Functions under legislation relating to Safety at Sports Grounds is delegated to the Corporate Director - Regeneration and Community, I informed the Group that I would be recommending to him that for continuity, the role of SAG Chair should pass to the Service Manager responsible. SAG unanimously supported the proposal.
- 2.2 Councillor Baxter, who represents the Planning Control Committee on SAG, requested that I keep the Committee informed.
