

APPENDIX 1

Statement :

Cabinet Paper Words : *“Gain feedback on an alternative service model for Council owned Care homes.”*

We want to ask you what you think about your service being run by another provider. If you disagree with this we want to understand your views.

If things change it is important that we understand how any such changes might affect you. We would also like your ideas and opinions about other options you might have thought of.

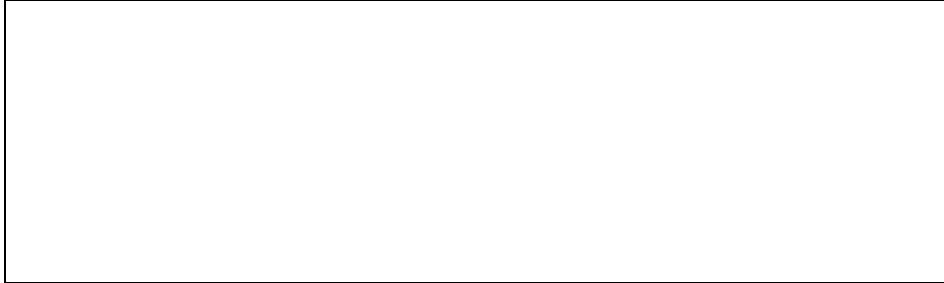

1. What do you think about these proposals ?

--

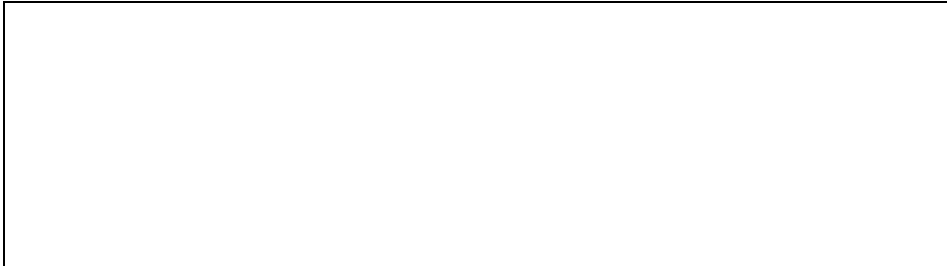

2. What is your view about the service being run / managed by another organisation ?

--

3. How do you think these changes might affect you ?

4. What would be the impact on you / How would it affect you if another provider ran the service ?

5. What are the most important things to you about the care and support you receive where you are ?

6. Do you think that there might be any benefits of any change ?

7. If the care / support you get stays the same does it matter to you who the provider is ?

8. We are open to other ideas even though our stated aim is X,Y,Z

9. Anything else you would like to add ?
