#### SUPPORTING INFORMATION

## 4.1 Terms of Reference of the Corporate Parenting Committee

Report of the Monitoring Officer dated May 20<sup>th</sup> 2015 concerning Constitutional Amendments to the Corporate Governance and Scrutiny Board proposed that the new arrangements for overview and scrutiny would enhance the function overall, however the existing Corporate Parenting Sub Board could not feasibly continue under such a governance structure.

It was therefore proposed and agreed that the sub board be disestablished and that a new Corporate Parenting Committee be established in its place. The committee would not be part of the scrutiny structure but would instead operate similarly to the Health and Wellbeing Board. It is anticipated that the membership would include the appropriate Cabinet Member, the appropriate scrutiny chair and the appropriate opposition group spokes people, though the individuals nominated would be at the discretion of groups and subject to the approval of Council, as normal.
