IMPLICATIONS

Financial

- 1.1 None directly. However, good scrutiny of performance contributes to good stewardship of public monies and may identify opportunities for greater effectiveness, efficiency and economy.

Legal

- 2.1 Under Section 3 (1) of the Local Government Act 1999 there is a duty on a best value authority to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. Section 21 of the Local Government Act 2000 requires that the Council's overview and scrutiny commissions between them can review and scrutinise the range of the Council's functions. Performance Eye can greatly assist by enabling a watching brief to be kept on the services within a Commission's portfolio so allowing members to identify and give focussed attention to areas of concern.
