72/07        Notices of Motion

1.        *Performing Arts Provision*

It was moved by Councillor Jones, and seconded, that the City of Derby has a diverse and rich cultural mix which should be celebrated in its performing arts provision. The City Council supports action to ensure that professional and amateur theatre and other performing arts continue to thrive in Derby.

It was moved by Councillor Graves, and seconded, that the motion be amended by the deletion of the words "supports action" and the insertion in their place of the words "requests the Cabinet to continue to unanimously support actions".
