Dear Sir

YOUR REFERENCE: DER/07/05/01238/PRI
5 ABBEY LANE DARLEY ABBEY

With reference to the above application, I am the immediate neighbour of the applicants and I am in full support of their application to remove the trees as they have grown to a substantial height and are in very close proximity to my garage and drains.

Their application is in response to my request to take down one of the trees as I believe that it is causing cracking and movement in my garage and store.

Yours faithfully

J P Rickard.
