## **Internal Audit Plan 2022/23 - Quarter 4**

### **Purpose**

- 1.1 To outline to the Committee the proposals for internal audit work in Quarter 4 of 2022/23. This is in accordance with the Public Sector Internal Audit Standards (PSIAS) which requires that Internal Audit develops a risk-based plan to direct their work in the forthcoming financial year.
- 1.2 The appendix to the report also outlines those areas that the Head of Internal Audit has earmarked for potential audit in 2023/24. These are subject to change in light of new and emerging risks and issues.

### **Recommendations**

- 2.1 To consider and approve the Internal Audit Plan for Quarter 4 of 2022/23 at Appendix 1.

### **Reasons**

- 3.1 The Audit and Governance Committee is responsible for providing assurance to the Council on the effectiveness of its governance arrangements, its risk management framework and the internal control environment. The work of Internal Audit supports the Committee in providing this assurance.

### **Supporting information**

#### Background to Internal Audit Planning

- 4.1 The Audit Plan must incorporate sufficient work to enable the Chief Audit Executive (Head of Internal Audit) to give an opinion for the 2022/23 financial year on the adequacy of the Council's overall governance, risk and control environment. Internal Audit must therefore have sufficient resources to deliver the Audit Plan.
- 4.2 The Internal audit plans for Quarters 1, 2 and 3, together with indicative coverage for future quarters were approved by Committee at its meetings on 23<sup>rd</sup> March 2022, 15<sup>th</sup> June 2022 and 5<sup>th</sup> October 2022.

## Internal Audit Plan 2022/23

- 4.3 In producing the plan for Quarter 4 and potential areas for 2023/24 audits, the Head of Internal Audit has:
- Reviewed internal audit's work in Quarters 1 to 3 of 2022/23.
  - Revisited the Council's Risk Registers.
  - Reviewed those areas highlighted in the previous Internal Audit Plan report as potential areas for audit work for quarter 4.
  - Identified areas that have not been subjected to audit review for several years.
  - Reviewed horizon scanning documents that highlighted some of the challenges and opportunities faced by the public sector.
- 4.4 Appendix 1 includes the proposed areas of coverage in quarter 4 and also identifies potential areas for audit coverage for the next three quarters (Quarters 1 to 3 in 2023/24) of the rolling 12 month plan. Given the current economic climate the 2023/24 quarterly plans will be influenced by, amongst other things, changes to risk faced by the Council and process/procedural/structural changes within the Council which impact on governance and control.
- 4.5 Ongoing Internal Audit reviews started in previous quarters are not included, but will be detailed in the Internal Audit progress reports.

### **Public/stakeholder engagement**

- 5.1 Key stakeholders are consulted on a regular basis as each quarterly plan is formulated.

### **Other options**

- 6.1 None

### **Financial and value for money issues**

- 7.1 The Council's contribution to CMAP for 2022/23 is £529,551 (2021/22 was £502,178 less a one-off rebate of £121,355 from the CMAP Reserve). The estimated number of days required to deliver the plan is 1,445.

### **Legal implications**

- 8.1 None

### **Climate implications**

- 9.1 None

### **Socio-Economic implications**

- 10.1 None arising directly from this report

## Other significant implications

11.1 None
