CHILDREN AND YOUNG PEOPLE COMMISSION
13 MARCH 2007

Corporate Parenting Sub Commission Business

107/06 Statistical Information on Looked After Children

The Commission received a report from the Corporate Director for Children and Young People.

The Commission were pleased to note an increase of 10 new foster carers and that this was the third year running that net foster carer numbers had increased.

Resolved to note the report and to ask that the Commission's thanks be passed on to all officers who have worked to improve the lives of children looked after.
