DERBY HOMES BOARD

27 JULY 2006

RECOMMENDATIONS FROM THE AUDIT INSPECTION

Report of the Director of Housing & Customer Service

1. SUMMARY OF REPORT

This report provides the Board with details of Derby Homes' response to recommendations arising from the Audit Commission Inspection in February 2006.

2. RECOMMENDATION

To approve the approach taken to securing continuous improvement and the actions detailed within the Consolidated Improvement Plan as attached at Appendix 1.

3. MATTER FOR CONSIDERATION

- 3.1 The Audit Commission is an independent body responsible for ensuring that public money is spent economically, efficiently and effectively and delivers high quality local and national services for the public.
- 3.2 Derby Homes inspection was conducted by the Housing Inspectorate using powers under section 10 of the Local Government Act 1999 and was in line with the Audit Commission's strategic regulation principles.
- 3.3 The Audit Commission assessed Derby Homes as providing an excellent, three-star service that has excellent prospects for improvement.
- 3.4 A full copy of the Audit Commission report can be accessed on Derby Homes website at www.derbyhomes.org.
- 3.5 As a consequence of the inspection the Audit Commission made a series of recommendations as practical pointers for improvement.
- 3.6 Derby Homes accepts these recommendations, and had in each case already included these within the self-assessment document completed prior to inspection.
- 3.7 The recommendations have been built into the Consolidated Improvement Plan. The plan is attached at Appendix 1. Merging the Audit Commission

recommendations into the Consolidated Improvement Plan ensures ownership within a robust performance management framework and avoids duplication which can arise from the creation of additional plans.

- The Consolidated Improvement Plan will be managed by the Performance Team who will provide quarterly progress reports to Performance Management Committee.
- 3.9 The successful implementation of the Audit Commission recommendations has been agreed as the shared strategic target for all Senior Management Team members in 2006/07.

4. CONSULTATION IMPLICATIONS

- 4.1 Consultation with employees, tenants and leaseholders and partner agencies is an integral part of the service improvement process.
- 4.2 Responsible Officers as identified within the Consolidated Improvement Plan will ensure consultation is carried out within Derby Homes established consultative forums.

5. FINANCIAL AND BUSINESS PLAN IMPLICATIONS INCLUDING EFFICIENCY SAVINGS

- 5.1 The Consolidated Improvement shows impact and cost in terms of high, medium and low. These assessments are provisional and follow Audit Commission methodology. Low cost is defined as less than 1% of the annual service cost, medium between 1 and 5% and high as over 5%.
- 5.2 Successful implementation of the recommendations will contribute to the strategic objectives within the Derby Homes Delivery & Business Plan.

6. EQUALITIES IMPACT ASSESSMENT

Equalities impact assessments will be carried out as part of the implementation process.

The areas listed below have no implications directly arising from this report

- Legal and Confidentiality
- Personnel
- Environmental
