Working for the Council – employment equality objectives update

Aim of report/presentation

At our last meeting, we presented our latest employment statistics report to you. We said we would give you an update on the employment equality objectives we had set for 2008/2009. We have attached an update report from our Corporate and Adult Services, Resources Department and Environmental Services. In January we will present updates from Regeneration and Community and Children and Young People's Service.

Questions for discussion – your say...

Please have a read through the report and if you have any questions about it you can ask at the meeting or contact Ann Webster on 01332 255384 minicom 01332 258427 e-mail ann.webster@derby.gov.uk
