

Consultation on the Supported Accommodation needs of Older People

Derby City Council will always try and support people to stay at home for as long as possible if that is their wish, but we want to have a good understanding of what types of housing people would prefer to live in when this is no longer an option. This means we can plan for the future.

Extra Care Housing and Residential Care are two different ways of supporting older people who have quite high care needs that would be hard to meet elsewhere. Both have care staff on site twenty four hours a day who support residents with their personal needs as necessary.

Extra Care Housing is a scheme of self-contained homes and is sometimes known as 'very sheltered housing'. Residents own or rent flats within the scheme. These may have one or two bedrooms and will have their own living areas, bathrooms and kitchens. There are also communal facilities like lounges and dining areas on site for residents to use to socialise when they wish.

Residential Care provides one bedroom accommodation. Rooms are rented. The more modern homes have ensuite bathrooms but other facilities (lounges, dining rooms, etc) are shared with other residents. Homes often run activities in these communal areas.

This short survey is seeking to discover what would be most important to you about the place where you live if remaining at your current address became difficult because of your care needs. The Council will use the results of the survey to develop the range of housing and services that best suit the preferences of local people.

THIS SURVEY IS INTENDED TO BE ANONYMOUS. Your responses to the survey will not be used to influence or affect your individual situation in any way.

Please consider the following questions and provide responses to as many as you are comfortable answering. Once completed, please return in the FREEPOST envelope provided or give to your Home Care Assistant by Friday 12 December 2008.

For further information about this survey, please contact: Jackie Straw, Strategic Commissioning Officer, Derby City Council on 01332 255838.
