## Neighbourhood Working in Alvaston, Boulton, Chellaston and Sinfin

Area Panel 2 consists of four electoral wards Alvaston, Boulton, Chellaston and Sinfin. The agreed framework for neighbourhood working will mean there will be one Neighbourhood Board for each ward. Neighbourhood Boards and Forums have been operating in the priority neighbourhoods of Osmaston and Allenton (covers parts of Alvaston, Boulton and Sinfin wards) and Sinfin (covers the majority of Sinfin ward) for some time. The neighbourhood working arrangements for these two priority neighbourhoods will continue.

Work to roll out the new forums has already started in Alvaston and Boulton wards. This is being led by Derby Homes. In Chellaston ward, there will be an interim Board on 4<sup>th</sup> October 2007, co-ordinated by the Stronger and Safer team. A meeting of the Shelton Lock Neighbourhood Forum will take place in the third week of October and the Chellaston Neighbourhood Forum in the third week of November.

At an operational level in the new framework, one of three different levels of neighbourhood management will be developed for each ward in the area. This will reflect the intensity of interventions needed. There will be:

- Standard neighbourhoods – Chellaston, with a lighter touch of neighbourhood coordination provided.
- Enhanced neighbourhoods – Alvaston and Boulton, with support from Derby Homes taking on the role of Neighbourhood Managers, with limited additional staff support.
- Priority neighbourhoods – Osmaston and Allenton and Sinfin, each with its own Neighbourhood Manager and team.
