**Items for Discussion**

**78/07 Derby Homes New Build**

The Community Commission considered a report from the Corporate Director of Corporate and Adult Services on the proposals by Derby Homes for new build.

Members noted that the homes would be available to the tenants under the Right to Acquire scheme over a qualifying period of years, although this scheme was less generous than the Right to Buy scheme.

Concern was raised that the rent be set to include the cost of maintaining the homes to a decent standard. It was reported that the Housing Corporation would set the rent and that included within their formula would be the cost of maintaining the homes. The rent levels could be provided to members of the Commission.

**Resolved to welcome and note the report.**

## **79/07      Review of Housing and Council Tax Benefits**

The Community Commission considered a report from the Assistant Director of Customer Services on the improved performance of the Housing and Council Tax Benefit Service as at 17 March 2008.

Members raised concerns regarding the employment of an external debt recovery agency, it was noted that the preferred agency should be chosen carefully. It was reported that procurement was underway for this service, and that the agency would align to the fair debt policy. It was stated that the write off policy was still generous.

An update would be provided to the Commission in September.

**Resolved to commend the officers involved and to note the report.**

## **80/07      Derby LIVE**

The Commission received a presentation from Peter Meakin, Head of Arts and Events on the vision for Derby LIVE.

Members reported that they were keen on the partnership working discussed, and would welcome further events in the City.

Concern was raised regarding amateur groups in the city and whether their productions were adequately advertised in the City. It was reported that all groups can promote their work on the Arts Derby website, for which there is a link on the Council's website and the advert is now also placed on the big screen in the market place.

Members thanked the officer for the presentation.

**Resolved to note the report.**
