## II.1.7) Contract covered by the Government Procurement Agreement (GPA)

yes

## II.1.8) Division into lots (for information about lots, use Annex B as many times as there are lots)

yes

If yes, tenders should be submitted for (tick one box only)

one or more lots

## II.1.9) Variants will be accepted

yes

## II.2) QUANTITY OR SCOPE OF THE CONTRACT

### II.2.1) Total quantity or scope (including all lots and options, if applicable)

<P>The Authorities are seeking to enter into a strategic agreement with a single economic operator for the management, procurement and/or provision of services (and facilities) relating to the treatment and disposal of waste, including (but not limited to):</P><P> - Treatment of residual waste to reduce the amount sent to landfill.</P><P> - Disposal of untreated residual waste, and the residues of waste treatment</P><P> - Transport of waste for treatment and/or final disposal </P><P> - Composting</P><P> - Management of Household Waste recycling Centres</P><P> - Management of waste streams.</P><P> - Management of Waste facilities.</P><P> - Delivery of waste awareness information and education to the public by working with the Authorities and the waste collection Authorities in Derbyshire</P><P> - Dealing with recyclables collected by those waste collection authorities (whether separated or together with residual waste)</P><P>The Authorities, together or individually, may be willing and reserve the right to award more than one contract, each incorporating some of the elements specified above. The contract(s) awarded may include services for the benefit of the waste collection authorities in Derbyshire.</P><P>The indicative contract start date is April 2008 with the first treatment facility anticipated to be operational from 2010 with a contract term of up to 35 years. The initial facility is expected to be provided on a design, build operate and maintain basis, since the Authority have not applied for credits under the UK Government's Private Finance Initiative. For this purpose, the Authorities may make available up to GDP 50 million by way of capital investment for the initial treatment facility, subject to due diligence and an acceptable cost and risk balance being agreed.</P><P>Future facilities may be procured under the Private Finance Initiative under a separate scheme.</P>

If applicable, estimated value excluding VAT (give figures only):

Currency: GBP

OR Range: between 25 000 000 per annum inc landfill tax

and 30 000 000 per annum inc landfill tax

Currency: GBP

## II.2.2) Options (if applicable)

yes

If yes, description of these options

There is an option of extension to the contract period by a further 5 year term at the end of the initial contract period, subject to satisfactory performance of the contract and continued business requirement for the facilities.

If known, provisional timetable for recourse to these options (from the award of the contract):

in Months:

or Days:

Number of possible renewals (if any)

OR Range: between

and

If known, in the case of renewable supplies or service contracts, estimated time-frame for subsequent contracts (from the award of the contract)

Months:

or Days:

## II.3) DURATION OF THE CONTRACT OR TIME-LIMIT FOR COMPLETION

Duration (from the award of the contract)

in Months: Up to 360 with option to extend for a further 60 months

or Days:

-- OR (in dd/mm/yyyy) --

starting: //

completion: //
