

**CONSERVATION AREA ADVISORY  
COMMITTEE**  
6<sup>th</sup> September 2018

# ITEM 08

**Report of the Strategic Director of  
Communities and Place**

**Applications not being considered**

## SUMMARY

- 1.1 At the Conservation Area Advisory Committee Meeting, on the 21<sup>st</sup> January 2016, it was agreed that, to reduce the length of the agenda, a report would be brought to Committee each meeting that highlighted the applications that had been removed from that meeting's agenda. Following the report on the 15<sup>th</sup> June 2017 on 'Review of Conservation Area Advisory Committee processes' the Chair of the Conservation Area Advisory Committee (or the Vice-Chair in their absence) have been notified of what has been removed and have had a chance to challenge this decision if they felt very strongly that a particular item should go.

The following applications were removed from the agenda for 6<sup>th</sup> September 2018 and not included in the applications being considered report for that meeting: -

- DER/06/18/00870 - 997 London Road, Derby.
- DER/06/18/00979 - 15 Victoria Street, Derby.
- DER/07/18/01127 - 8 Market Place, Derby.
- DER/07/18/01139 - St. James Yard, St James St & 8 The Strand, Derby.
- DER/04/18/00628 - 9 Morledge, Derby.
- DER/07/18/01048 - 56 Crompton Street, Derby.
- DER/06/18/00908 - 4 Haslams Lane, Derby.
- DER/07/18/01129 - 112 Belper Road, Derby.

## RECOMMENDATION

- 2.1 That the Members of Committee note the applications that are not to be brought in front of Conservation Area Advisory Committee either due to their minor nature or because Committee's advice has previously been recorded, and being mindful of the time available in meetings.

## REASONS FOR RECOMMENDATION

- 3.1 To highlight to Members the items that has been removed from the agenda so that Committee members are aware of these.

## SUPPORTING INFORMATION

- 4.1 Although these applications are not brought in front of committee please note that this does not exclude members as individuals making independent comments on individual applications. I would like to highlight that the Conservation and Urban Design Team undertake consultation responses on all of the applications whether they come before Conservation Area Advisory Committee or not.
