Background to Internal Audit Planning

- 4.1 The Audit Plan must incorporate sufficient work to enable the Chief Audit Executive (Head of Internal Audit) to give an opinion for the 2021/22 financial year on the adequacy of the Council's overall governance, risk and control environment. Internal Audit must therefore have sufficient resources to deliver the Audit Plan. The Audit Plan needs to align strategically with the aims and goals of the Council and the risks to their achievement.
- 4.2 The Internal audit plan for Quarter 1, together with indicative coverage for quarters 2 to 4 was approved by Committee at its meeting on 24th March 2021.

Internal Audit Plan 2021/22

- 4.3 In producing the plan for Quarter 2 and indicative areas for the rest of the year, the Head of Internal Audit has:
- Reviewed internal audit's work in Quarter 1 to date.
 - Revisited the Council's Risk Registers.
 - Reviewed those areas highlighted in the Internal Audit Plan report as potential areas for audit work for quarters 2 - 4.
 - Reviewed horizon scanning documents that highlighted some of the challenges and opportunities faced by the public sector which should be considered by Heads of Audit when determining the assurance requirements of their organisation and when formulating their internal audit plan for 2021/22.
- 4.4 Appendix 1 includes the proposed areas of coverage in quarter 2 and indicative areas for audit coverage for the next three quarters of the rolling 12 month plan.
- 4.5 Internal Audit reviews started in 2020/21, which were carried forward into 2021/22 are not included, but will be detailed in the Internal Audit progress reports.
