14/03 School Organisation Plan

The Committee considered a report of the Director of Education, which outlined the School Organisation Plan for the period 2003/04 – 2007/08. The plan set out the local authority's conclusions and policies regarding present and future school places. Councillor Wynn advised that the Education Commission had scrutinised the plan and endorsed it. The Committee asked that the plan be updated with the current position in regard to potential building sites. Gurmail Nizzer advised that all building proposals were subject to the Local Plan enquiry and would be included at a later date.

The Committee asked for data from this year's PLASC pupil census to be included in the tables at the back of the Appendix. This would enable the Committee to have the most up to date information for its work. In a short time this information would be available and it would be useful to include latest participation rates. Dave Cunningham asked that an updated Appendix 1 and 2 be distributed to all Committee members when available.

Resolved to approve, without modification, the School Organisation Plan 2003/04 to 2007/08.

15/03 Arrangements for the Next Meeting

The Committee was advised that the provisional date of 6pm on 25 March had now been confirmed to discuss the proposal to change the status of Borrow Wood Junior School, if objections were received for High View School this would also be discussed at the meeting.
