

AUDIT AND ACCOUNTS COMMITTEE 28 SEPTEMBER 2006

ITEM 13

Report of the Assistant Director - ICT and Performance Management

CALLED IN AUDIT REPORTS - IT DISASTER RECOVERY AND IT SITE SECURITY

RECOMMENDATION

1.1 To note the report.

SUPPORTING INFORMATION

- 2.1 At its meeting on 29 June 2006, the Committee requested that a further report be brought to the next meeting detailing measures that have been put in place following the control weaknesses identified during the internal audits of IT Disaster Recovery and IT Site Security.
- 2.2 Attached are two reports from Mike Thompson, Head of ICT, which brief members on the current progress being made to address the weaknesses. The update for the IT Disaster Recovery audit is Appendix 2 and the update for the IT Site Security audit is Appendix 3.
- 2.3 I am satisfied that appropriate progress is being made in both areas. The aim is to achieve solutions that are sustainable.
